WILLIAM HENRY WHITE
Grand Master 1952-'53

WILLIAM HENRY WHITE

William Henry White, 99th Grand Master of Masons in North Carolina, was born at Archdale, Randolph County, North Carolina, on March 20, 1894, the son of John Scott White and Sarah Steed White. He attended public schools in High Point and Asheboro, graduating from Asheboro High School in 1913; worked for one year in Asheboro; and in 1914 entered Park College, Parkville, Missouri, where he worked to pay his way through three years at that institution, leaving on the registration day of his senior year to enter the service of his country in World War I. He served in the United States Army for twenty-two months, was honorably discharged on June 12, 1919, and settled at Sanford, North Carolina, on October 18, 1919, as a representative of Jefferson Standard Life Insurance Company, having made a connection with that company in August 1919. On June 24, 1931, he married Velma Eloise Bass. There are two children: Margaret Ann, 19, a sophomore at Greensboro College, and William Henry, Jr., 16, a sophomore at Sanford Central High School.

"Bill," as he is familiarly and affectionately known (and likes to be called) by his associates and friends, has had an outstanding record in his chosen vocation. In 1932, he was made president of the Julian Price Club, thus receiving the highest honor a member of the Jefferson Standard organization can attain. On December 31, 1933, on qualifying for the tenth year of membership in the Julian Price Club, his identification with it became permanent. He served as president of that club again in 1936. Also in 1932, he was placed on the program of the National Association of Life Underwriters' convention, held in San Francisco, the subject of the address which brought much fame and acclaim to him having been "Conservation and Renewal of Business," a subject in which he had experienced much success. He had, and still has, one of the highest renewal records in the United States among all American companies. In addition to being a member of the National Association of Life Underwriters, he is a member of the Sanford Association of Life Underwriters, of which he was a charter member and its first president.

It is almost impossible to distinguish between the vocation and the avocation of our present Most Worshipful Grand Master, his religious, Masonic and civic activities having claimed at least as much of his time as that of insuring the lives of his friends and acquaintances. He is an active member of Steele Street Methodist Church in Sanford, has been on its Board of Stewards for more than 28 years, has served as chairman of that board for 9 years, and has also served as a trustee of his Church. His numerous other civic activities and recognitions include: Past Commander of Lee Post No. 18, American Legion; Chef de Gare Passe (Past President), Voiture Locale No. 1142, La Societe des 40 Hommes et 8 Chevaux; Grande Commissaire Intendant Passe (Past State Treasurer) of the Grande Voiture of North Carolina, La Societe des 40 Hommes et 8 Chevaux; Charter member of the Rotary Club of Sanford, and a Past President of that club, as well as Past Treasurer and Past Secretary; member of the San-

ford Chamber of Commerce; Past President of the Sanford Business Men's Association (1936); Lee County "Man of the Year" (1936); and County Chairman of the Lee County War Finance Committee during World War II. He received the Distinguished Service Award from the United States Treasury Department for services in connection with his work on that committee.

Although wide and varied are the activities and interests listed above, William Henry White's love for, and his activity in behalf of, Masonry and his Masonic brethren have been overshadowed only by his love for, and his activity in behalf of, his God, his Church, and his devoted family. He was initiated in Sanford Lodge No. 469 (now 151) on November 22, 1921; passed on December 13, 1921; and raised to the Sublime Degree of Master Mason on December 21, 1921. He was installed Junior Warden of Sanford Lodge on June 24, 1922, and as Master on July 5, 1923. He also served as Master in 1929, 1935 and 1936. He was installed Treasurer of Sanford Lodge No. 151 on January 26, 1937, and he has since that date held that office continuously. He has been a member of the Board of Directors of Sanford Masonic Temple, Inc., since the election of the original board in 1925, and he was Chairman of the Board of Directors when the Masonic Temple was constructed. He served as District Deputy Grand Master of the 13th Masonic District during the years 1927, 1928 and 1929; has been representative of the Grand Lodge of Tasmania near the Grand Lodge of North Carolina since 1929; has served on the Committee on Finance of the Grand Lodge since 1944; and has been a member of the Board of General Purposes since 1948.

He received the Fourth through the Thirty-second Degrees of the Ancient and Accepted Scottish Rite in the Bodies at Wilmington, North Carolina, on November 13, 14, 15, 1923. On October 17, 1939, he was elected to the rank and decoration of the Knight Commander of the Court of Honour by the Supreme Council for the Southern Jurisdiction of the United States of America. On October 19, 1951, he was crowned an Inspector General Honorary of the 33° by the Supreme Council.

He was constituted a Noble of the Mystic Shrine in Oasis Temple on June 13, 1924, during the "Black Cat" Ceremonial at Hickory, and he was No. 13 on the active list of candidates.

He was appointed Grand Steward in 1944 by Grand Master Julius C. Hobbs, and has been regularly advanced until, on April 16, 1952, he was elected and installed Grand Master of Masons in North Carolina.

William Henry White loves and *lives* Masonry. He believes in, and practices, its precepts. He is a *real Master Mason*, and we are confident that his acts and his conduct during the year ahead will do much to advance the cause of Freemasonry.

REPORT OF THE GRAND MASTER

(Docket No. 1)

M. W. Brother Herbert M. Foy, Grand Master of
Masons in North Carolina, delivered the following report,
which was referred to the Board of General Purposes
(See pages 74 and 75 of these Proceedings for the dis-
tribution of the report):

BRETHREN:

Again we assemble from every section of the great
State of North Carolina in annual communication to con-
sider the record for the year now closing, and to lay plans
for the continued advancement of our Fraternity. Each
passing year adds to our experience and knowledge; by
avoiding the mistakes of the past and holding fast to those
policies of proven worth, we may hope for a continuation
of success and progress.

THE CODE requires that the Grand Master shall
make a report of his acts, setting forth the general con-
dition of Masonry within this Grand Jurisdiction and
recommending such legislation and such action as he may
deem necessary or expedient for its welfare. This state-
ment from THE CODE is made to remind you that the
Grand Master is subject to its provisions, the same as

those of you to whom it became my painful duty to call attention of its violation.

We have, tonight, assembled in the prosperous city of Greensboro, a city noted far and wide for its beautiful homes, its large and varied industries, its educational institutions, and its background of history and culture. In such an environment, we meet in annual communication. May it be an inspiration to us, and may we be a blessing to them.

It is my pleasure and privilege to welcome you to this the 165th Annual Communication of the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina. We are most happy to have with us on this occasion distinguished guests from other Grand Jurisdictions. To them, we extend a hearty welcome and express the hope that their visit with us will be pleasant and profitable, and that they will carry back to their respective jurisdictions the brotherly love and friendship of the Masons of North Carolina.

When you elected me one year ago to the exalted position of Grand Master, it was with a feeling of humility that I accepted this important trust, knowing my limitations and realizing that I could not hope to measure up to the high standard of administration as set by my illustrious predecessors.

In spite of these limitations, but with the advice, assistance, and co-operation of the Past Grand Masters, the officers of the Grand Lodge, and the able men who compose the various Boards, Committees, and Commissions of the Grand Lodge, I think we have had a good year and that Masonry in North Carolina is going forward.

We are conscious of the critical situation which confronts the world today in the conflict between freedom and slavery, God and materialism, democracy and despotism, the American way of life and communism.

With these evils, Masonry cannot afford to compromise. Now, as never before, we should exert our influence to maintain and preserve the rights of free men; to live, to think, and to act for themselves without compulsion from any source, be it political, ecclesiastical or

military. For two generations, ambitious, selfish men have tried by might and power to enslave the free peoples of the world. It is the purpose of Masonry to try to instill in the hearts and minds of men the dignity of the individual, the law of brotherly love, and the equality of every man before God. If this could be accomplished, many of the evils which trouble the world today could be eliminated and the peoples of the world live in peace.

NECROLOGY

This Grand Jurisdiction has been most fortunate in not having suffered the loss of any member of its official family during the year and the Supreme Architect of the Universe has been pleased to bless all members of our Boards, Commissions and Committees, for which we offer praise and thanksgiving.

Nevertheless, many of our beloved brethren throughout the State have been called to their reward, among whom was Brother Frank Mullen Pinnix, for many years the beloved editor of *The Orphans' Friend*. May we stand for a moment in a silent tribute to their memory, after which the Worshipful Grand Chaplain will lead us in prayer.

DISTRICT MEETINGS

These meetings are a source of inspiration and information to the Grand Master and can be of much benefit to the Craft, provided a satisfactory program is arranged and the officers of the district attend the meetings.

Forty-two District Meetings were held this year, one in every district except one, where suitable arrangements could not be made. It was my privilege to attend thirty-one of these meetings. All of them were well worth while and many of them outstanding. In eleven of the meetings scheduled for September (during which time I was in the hospital or recuperating at home) I was ably represented by R. W. William H. White, Deputy Grand Master, R. W. Edwin T. Howard, Senior Grand Warden, and R. W. Robert L. Pugh, Junior Grand Warden, to whom I wish to express my gratitude. The success of all

meetings was largely due to the Grand Secretary, whose preparation and assistance was most valuable.

While the District Meetings require much travel and time on the part of the Grand Master, yet, the benefits derived from them are well worth the effort.

DISTRICT DEPUTY GRAND MASTERS

To this group of real *Master Masons* who are, almost without exception, devoted and loyal to the Craft, I wish to express my gratitude. To every request made of them, they have responded promptly, thoroughly, and efficiently, devoting their time and their efforts to promote the interests of the Fraternity.

The dignity and importance of this office is becoming more and more evident as the duties and responsibilities of the Grand Master continue to increase. They represent him in the field and upon them largely depends the welfare of the Craft.

Grand Master Maxwell E. Hoffman, in his report, recommended that the Grand Lodge provide regulation aprons for the District Deputy Grand Masters, the same to be passed from the officer retiring to the one assuming office in that respective District. The Grand Lodge took no action. I again make this recommendation.

HONORARY TITLE OF PAST DISTRICT DEPUTY GRAND MASTER

I recommend that the Grand Lodge grant the honorary title of *Past District Deputy Grand Master* to the following Brethren, each of whom is qualified therefor in accordance with the provisions of Regulation 12-05 of THE CODE:

MASONIC EDUCATION

To the newly-made Masons coming into our lodges, I would like to suggest as a basis on which to begin his Masonic Education:

Learn all of the Ritual *there is to know*. Learn all of THE CODE you *have to know*. Learn all of the History and Philosophy of Masonry you *want to know*.

If he follows the first two, there will be no limit to what he will want of the third.

To me, the most far-reaching question confronting Masonry today and the most important one for the future of our Fraternity, if we are to hold the interest and loyalty of intelligent people, is the question of Masonic Education.

All Grand Jurisdictions are becoming more interested in, concerned about, and are putting more effort into, trying to formulate a workable plan whereby the newly-made Masons may and will learn something about the Fraternity.

To try to educate the old Mason is wasted energy. *It can't be done*. We must concentrate our efforts on those being initiated into our lodges. At the time of initiation, they are ready and anxious to learn anything and everything about Masonry. As proof of this statement, check the number of new Masons who buy Masonic Bibles or almost any other Masonic book from any agent who offers them. Many of the older members of the Craft are also in search of more Light as evidenced by the increase in the number of books sold by the Grand Secretary during this year, which will be mentioned in his report. In the furtherance of Masonic Education, I recommend that the Grand Secretary be empowered to purchase

a small supply of good books such as Mackey's Jurisprudence and Symbolism and such other books as the Board of Custodians may approve, to be made available to those of the Craft who would like to purchase them and may not know how or where. This is not a recommendation that the Grand Lodge establish a book store, but as another forward step in Masonic Education.

The pamphlet on the Lodge System of Masonic Education may not be perfect and perhaps there might be some improvement, but it is a step in the right direction and, if properly used by all the lodges, could be of untold benefit to the initiates.

I am of the opinion that some mandatory legislation requiring all the lodges to adopt the Lodge System of Masonic Education is advisable.

LECTURE SERVICE

Too much cannot be said in support of the Lecture Service and the splendid work being done by the Certified Lecturers. The time has been when we had only four men authorized to lecture all the lodges in this Grand Jurisdiction.

Many of the lodges could not satisfactorily open and close a lodge, to say nothing of raising a candidate to the Sublime Degree of Master Mason. Today that situation has changed and only now and then do we find a lodge which is not able to do satisfactory work.

Many Schools of Instruction have been held over the State, with large and enthusiastic attendance, under the supervision and direction of the District Deputy Grand Lecturers and District Deputy Grand Masters. In my opinion, this is the best method yet devised for ritualistic instruction. We owe a debt of gratitude to the Certified Lecturers, the Grand Lecturer and the Board of Custodians for the fine service they are rendering to the Fraternity.

M. W. CHARLES B. NEWCOMB, *Past Grand Master*

This great Mason needs no eulogy from me, but for his long and faithful service to Masonry and for the

valuable advice and assistance he has given me during my term of office, I wish here to acknowledge my indebtedness to him. All through the years he has unselfishly given of his time, his services and his substance, loyally and efficiently to the cause of Masonry, without the hope or the desire for fee or reward.

THE CODE of 1948, the Official Standard of the Work, the Lecture Service with the large number of Certified Lecturers, and the uniform revision of by-laws by the subordinate lodges, together with the work of the Lodge Service Commission, have all been brought to their present high standard largely through the labors of this loyal and unselfish Mason.

THE UNITED GRAND LODGE OF ENGLAND
INSTALLATION OF GRAND MASTER

A letter was received from R. W. Brother Sydney A. White, Grand Secretary of the United Grand Lodge of England, dated May 28, 1951, as follows:

"The Installation of our Most Worshipful Grand Master (the Rt. Hon. the Earl of Scarbrough, K.G., G.C.S.I., G.C.I.E., T.D.) will take place at the Royal Albert Hall, London on Tuesday, November 6, 1951.

"If any high Officer of your Grand Lodge happens to be in London at that time, it will give us much pleasure to arrange for him to be present at the Ceremony.

"In that case, I shall be much obliged if I may be advised as early as possible of his name, rank and address in England.

"I am desired to ask that no member of this Grand Lodge be nominated to attend as a Representative of your Grand Lodge on this occasion."

In view of the importance of this event and the close connection between the mother Grand Lodge and Masonry in America, and recognizing his invaluable services rendered to this Grand Lodge, I did designate and authorize M. W. Brother Charles B. Newcomb, Past Grand Master, to represent the Most Worshipful Grand Lodge of North Carolina on the occasion of the Installation of the Most Worshipful Grand Master (the Rt. Hon. the Earl of Scarbrough, K.G., G.C.S.I., G.C.I.E., T.D.) at the

Royal Albert Hall, London, on Tuesday, November 6, 1951. Most Worshipful Brother Newcomb will make a report to you on this event.

VISITATIONS TO NORTH CAROLINA LODGES

Not until he has served as Grand Master can a man realize the sincerity, loyalty and devotion of many of the Craft to the ideals and teachings of our Fraternity. There are some who are interested only in the wearing of emblems, joining in parades and displaying the outward evidences of his having paid the fee and had his name placed on the roll of members; with that type of Mason, I am not particularly concerned. Poor deluded man! He has paid the fee but received nothing. He has failed to grasp the beauties, the grandeur, the great truths of God, of Life, and of Immortality open before him.

But to visit with the fine Masons I have found in every nook and corner of this great State of ours, to enjoy their fellowship, to participate in their activities, to feel the fine spirit of brotherhood which actuates them, and to know the high regard which they have for the position of Grand Master is a revelation and an inspiration to any man. It is an experience which is priceless and which will always remain with me as a Benediction.

I have tried to accept every invitation, but because of illness or previous obligations I have in some cases been forced to decline.

The speedometer on my car shows that I have traveled more than twenty-five thousand miles and I have attended more than 150 meetings in all sections of this Grand Jurisdiction. In every case, I have been received with every honor and consideration, for which I wish to here express to the brethren my appreciation.

CHAIN LETTERS

Sad to relate, but some of our brethren appear to be living in an imaginary world, full of superstitions and prejudices of one kind or another. This is indicated by numerous "chain letters" addressed to Masons only, which have been received and forwarded to me from many sections of the State by brethren who have been victims of this pernicious activity.

Such letters may be harmless as isolated cases, but to permit them to continue may bring discredit upon the Fraternity in the estimation of intelligent people.

I am of the opinion that the circulation of such letters may constitute a Masonic offense, subjecting the sender to Masonic charges and possible suspension.

If any of you receive such chain letters, destroy them with a clear conscience, with the assurance that no harm will come and with the knowledge that you are working against the forces of superstition and ignorance which tend to embarrass and undermine our beloved Fraternity.

COMMITTEE ON CEREMONIES

This committee has worked long hours and on many occasions to revise the ceremonies so that they would conform to present-day needs and meet with the approbation of the Craft. When the ceremonies are printed and all of them combined in one loose-leaf pamphlet, I am sure you will find them much more simple to carry out and more in keeping with modern demands.

The optional form for burial service appears to be receiving the approval of the Craft. Both forms of burial services will, when published, be included in the pamphlet for your convenience.

EMERGENT COMMUNICATIONS

LAYING CORNER STONES

On April 30, 1951, at an Emergent Communication of the Grand Lodge, it was my honor and privilege to participate in laying the corner stone of the York Rite Memorial Chapel at the Oxford Orphanage, according to the ancient custom and usages of Masonry. The address of the occasion was delivered by Worshipful Charles H. Pugh, Senior Grand Deacon, and Chairman of the building committee.

The corner stone was cut and donated by the North Carolina Granite Corporation of Mount Airy through the generosity of Brothers John P. Frank, Criss Binder, and A. Clark Lackey, officers of the corporation; and a beautiful stone it is.

PROCEEDINGS OF THE

DEDICATING MASONIC HALL

Wednesday, January 23, 1952, at an Emergent Communication of the Grand Lodge, the Masonic Hall of Currituck Lodge No. 463 at Coinjock was dedicated in Ample Form according to the ancient custom of the Fraternity.

This opportunity of meeting with the good Masons of Currituck Lodge was an unusual pleasure for a "hill-billy" like me.

M. W. HUBERT M. POTEAT, *Past Grand Master*

At the Annual Communication of the Grand Lodge of Alberta, held during the month of June, 1951, at Calgary, Alberta, Canada, our dearly beloved Brother, M. W. Hubert M. Poteat, Past Grand Master, was made an Honorary Past Grand Master of the Grand Lodge of Alberta.

It is gratifying to all of us to have a Grand Jurisdiction of another country also recognize the ability of this great man and Mason.

On June 30, 1951, I wrote a letter to the Grand Lodge of Alberta expressing your appreciation for the honor conferred on one of our most distinguished Masons.

LODGES CONSTITUTED

Charters having been granted by the Grand Lodge, I did, with the assistance of the Grand Secretary and other Grand Lodge Officers, constitute the following lodges and install their officers:

April 26, 1951—Renfro Lodge No. 691 at Mount Airy.
May 9, 1951—Scotland Neck Lodge No. 689 at Scotland Neck.
May 18, 1951—Mount Moriah Lodge No. 690 at Statesville.

LODGES INSTITUTED

I granted a Dispensation to fifty-eight brethren for the establishment of a lodge in the city of Charlotte to be known as East Gate Lodge U.D. This lodge was instituted by me on Wednesday evening, May 23, 1951.

I granted a Dispensation to brethren for the establishment of a lodge in the city of Charlotte to be known as Charles M. Setzer Lodge U.D. This lodge was instituted by me Wednesday evening, June 27, 1951.

I granted a Dispensation to thirty-nine brethren for the establishment of a lodge in the city of Greensboro to be known as Gate City Lodge U.D. This lodge was instituted by me on Tuesday evening, October 23, 1951.

I granted a Dispensation to eighty-four brethren for the establishment of a lodge in the city of Kannapolis to be known as Allen-Graham Lodge U.D. This lodge was instituted by me on Tuesday evening, November 1, 1951.

In each instance, I was assisted by the Grand Secretary and other Grand Lodge Officers.

I granted a Dispensation to sixty-five brethren for the establishment of a lodge in the city of Lexington to be known as Memorial Lodge U.D. This lodge was instituted by R. W. Brother Edwin T. Howard, Senior Grand Warden, as my representative, on Friday evening, December 7, 1951.

I recommend that Charters be granted to each of these lodges under Dispensation, if they are found to be properly qualified as required by THE CODE.

ONE-STORY LODGE BUILDING

On December 14, 1951, I approved the request of Atlantic Lodge No. 294 to erect a one-story building to contain its lodge room, with the clear provision that it is the responsibility of that lodge to see to it that the lodge room is sound proof and in all respects, and at all times when used as a lodge room, safe from cowans and eavesdroppers as required in Regulation 49-04.

WAIVER OF JURISDICTION

When the proposed CODE of 1948 was submitted to the Grand Lodge for adoption, it contained a Regulation forbidding the Waiver of Jurisdiction. This regulation was not adopted.

From observation and the experiences of this year, I am convinced there is very little good accomplished by waiver of jurisdiction. A man should petition the lodge where he lives, then if he would like to transfer his membership a way is provided. Too many times a request for waiver of jurisdiction is for ulterior motives. Either it

is because the fee is less or the man is afraid his petition will not pass the ballot in his home community. A request for waiver of jurisdiction puts additional labor on the Secretary of the lodge, the Grand Secretary, and many times the Grand Master, and often leads to complications. Particularly is this true when the waiver is requested from a foreign jurisdiction, many of which do not grant waivers. I, therefore, recommend that Waiver of Jurisdiction be discontinued and that Regulation 47-07 as originally proposed be again presented to the Grand Lodge for adoption.

WAIVER OF PHYSICAL DISABILITY

Waiver of physical disability has been allowed in seventy-four cases and denied in nine cases. In each case I required a written report, signed by the Master of the lodge and each member of the Committee of Investigation certifying as to the ability of the petitioner to conform fully and in all respects with Regulations 74-01 (10, 11) and as to whether or not he was in any way disqualified by any subdivision of Regulation 74-04.

In this connection, I call the attention of the Craft to the increasing number of requests for waiver of physical disability and the possibility of a considerable number, in the course of years, becoming a burden upon the Craft.

Many of the requests for waiver of physical disability were minor defects, but in some instances the petitioner had a progressive disease which permitted him to conform to the requirements now, but later he might become completely disabled. This phase should be carefully considered in all requests for waiver of physical disability.

DISPENSATIONS GRANTED

1. I issued Dispensations to ten lodges to hold communications for Masonic purposes in halls other than their respective lodge halls, but in the same city or town, provided, the lodge was properly tyled, and safe from cowans and eavesdroppers. The papers in each case will be delivered to the Committee on Masonic Jurisprudence.
2. On August 18, 1951, I issued a dispensation for Wendell Lodge No. 565 to elect a Junior Warden at the stated communication September 11, 1951.

3. On September 14, 1951, I issued a dispensation for Acacia Lodge No. 674 to elect a Junior Warden at the stated communication October 4, 1951.
4. The following lodges, having failed to elect their officers at the time set out in their respective by-laws, were authorized by my dispensations to elect their respective officers at stated communications shown:
 - King Solomon Lodge No. 56 to elect on February 5, 1952.
 - Mount Olive Lodge No. 208 to elect on December 8, 1951.
 - Ararat Lodge No. 558 to elect on January 11, 1952.
 - Manteo Lodge No. 682 to elect on December 21, 1951.
5. On January 10, 1952, I issued a dispensation for Roanoke Lodge No. 203 to elect a Master, a Treasurer, and a Secretary on February 5, 1952.
6. I issued a dispensation on March 6, 1952, for Atlantic Lodge No. 294 to elect a Senior Warden on March 20, 1952.
7. On November 28, 1951, I issued a dispensation for LaFayette Lodge No. 83 to continue its functions pending replacement of its charter which has been lost or destroyed. Reg. 16-04(1).

DISPENSATIONS DENIED

December 12, 1951, I denied a dispensation to Whetstone Lodge No. 515 to change the time for its stated communication from December 25, 1951, to December 15, 1951. [Sec. 7-06, Regs. 16-04 (8A4-5); 51-01(1)].

ANSWER—No. (Reg. 79-31).

ANSWER—No. (Regs. 43-07 and 90-14).

- No. 6—QUESTION—Must an officer, before installation, pass an examination in the catechism of the third degree in his own lodge or may it be done in another lodge?

ANSWER—The examination may be held in any regular lodge, provided the examination is held in open lodge, declared satisfactory and recorded in the minutes.

- No. 7—QUESTION—Does Masonic law permit a corner stone to be laid where the walls have been built above the niche provided for such corner stone?

ANSWER—Yes, provided it may be done in *strict conformity* with the prescribed ceremony. (Reg. 93-01).

- No. 8—QUESTION—Does the six months referred to in Reg. 81-06 mean Calendar months or Lunar months?

ANSWER—Lunar months—Reg. 94-06. Webster's Unabridged Dictionary states that in common law a lunar month consists of twenty-eight days.

- No. 9—QUESTION—Application had been made to a lodge (with \$14.00 in payment for back dues) for restoration after suspension for nonpayment of dues. Later applicant requested that application be withdrawn and payment of \$14.00 returned.

ANSWER—Yes. [Reg. 97-02 (29, 30)].

No. 12—QUESTION—May a lodge use its funds for a scholarship in a college for the scholastic year 1952-1953?

ANSWER—Yes, Reg. 68-08. A lodge has absolute control of its funds for all Masonic purposes and can pay them out on order of the Worshipful Master and consent of the lodge. Masonry has always advocated education and enlightenment. I, therefore, see no reason why this may not be considered a proper Masonic objective.

No. 13—QUESTION—May a salesman selling wine to retail outlets petition for the degrees?

ANSWER—Yes. [Reg. 97-02(29)].

No. 14—Aulander Lodge No. 516 voted on a petition for the degrees in less than 27 days. The result favorable, later recognizing their error they again balloted on this petition at their next stated communication without permission from the Grand Master. The ballot being unfavorable, they request the Grand Master, under Reg. 76-16 to authorize another ballot on this petition.

I ruled that Reg. 76-11 was violated in voting on the petition in less than 27 days. That Reg. 76-11 was violated in voting on this petition again without authority from the Grand Master. In consequence of these violations, both ballots were illegal. That under Reg. 78-01 I could not authorize another ballot as it had been more than two months since the date of the last ballot on the petition.

No. 15—QUESTION—May a person who sells wine and beer at wholesale petition for the degrees?

ANSWER—Yes. [Reg. 97-02(29)].

No. 16—QUESTION—Has Catawba Valley Lodge No. 217 violated Masonic law in conducting a burial service in which all the pallbearers were not Masons?

ANSWER—Yes. (Reg. 90-13).

QUESTION—Did they violate Masonic law in permitting the Rector to conduct the burial service of his church after the Masonic burial service had been completed?

ANSWER—Yes. (Reg. 90-08).

ORDERS

No. 1—Black Mountain Lodge No. 663, having permitted a candidate to affirm in the first degree in violation of Reg. 79-31, I ruled that the candidate should be "healed" in the Entered Apprentice Degree. This to be done in accordance with the provisions of Reg. 94-05.

No. 2—In a letter to me, dated August 17, 1951, the Master of Unanimity Lodge No. 7 states:

- (1) That Mr. H. was rejected by secret ballot August 16, 1951; the ballot having passed twice.

- (2) That there was one black cube in the box at the end of the second ballot. [Regulation 76-05; 97-02(6)].
- (3) That a visitor who was present voted in the secret ballot on Mr. H. and gives this as the only reason why he thinks the ballot should be: (Reg. 71-17)
 - a. Declared illegal and
 - b. Stricken from the minutes of that communication and
 - c. That a rebalot be permitted.

Ruling:

- a. The ballot by a visitor was *irregular*, of course, but that did not necessarily make the ballot *clearly* and *grossly illegal*. As required in Reg. 76-16
- b. The action of the lodge August 16 cannot be stricken from the minutes [Reg. 70-01(1a) and Reg. 70-02(1)]. No ballot can be authorized. (Reg. 76-16).

ORDER—After carefully reviewing all the facts in this problem as set forth in the correspondence, I therefore severely reprimanded the Master of Unanimity Lodge No. 7 for violating Regulations 71-17 and 76-05 and admonished him to be more careful in administering Masonic law in the future. It was further ordered that the Secretary of Unanimity Lodge No. 7, of Edenton, North Carolina, read the reprimand in its entirety to the lodge at its next stated communication and make it part of the minutes. [Reg. 67-03; 67-05; 67-10(7)].

- No. 3—**QUESTION**—It appearing to me that there had been some irregularity in the performance of courtesy work for Roanoke Lodge No. 203 by Hill City Lodge No. 183 of Virginia and that the correspondence regarding the arrangements had been direct instead of through the Grand Secretary's office as required in Reg. 95-14.

ORDER—On December 18, 1951, I issued an order directing the Grand Secretary to authorize direct correspondence between these two lodges and that Roanoke Lodge No. 203 hereafter strictly comply with Reg. 95-14, both as to the continuation of this, and all further correspondence with lodges in other Grand Jurisdictions.

- No. 4—It appearing to me the Phalanx Lodge No. 31 did err in granting and issuing to Brother George Manly Stanback on November 7, 1951, a demit when his request was for a Certificate of Good Standing for transfer of membership under the continuous membership plan as provided in Reg. 83-22, the said Brother George Manly Stanback desiring to affiliate with Kilwinning Lodge No. 64.

I therefore declared the said demit granted and issued by Phalanx Lodge No. 31 on November 7, 1951, void and of no effect. I further ordered that Phalanx Lodge No. 31

reinstate Brother George Manly Stanback as a regular member of said Lodge as of November 7, 1951.

No. 5—June 29, 1951, I received a letter from the Grand Treasurer, Brother Herbert C. Alexander, stating that he would be out of the state for some time and requesting that I appoint Brother Joel J. Faulk Acting Grand Treasurer. In compliance with this request, I, on July 2, 1951, issued the following order:

ORDER—I have found as a fact, from a letter dated June 29, 1951, and addressed to me by Herbert C. Alexander, Grand Treasurer, that the said Herbert C. Alexander is unable to perform the duties of Grand Treasurer of the Grand Lodge of A. F. & A. M. of North Carolina for the time being; therefore, pursuant to the power vested in me by Regulation 18-01(11) of THE CODE, I do hereby appoint Joel J. Faulk, who is qualified as required by THE CODE, as ACTING Grand Treasurer until further ordered by me.

Given under my hand and seal at Mount Airy, North Carolina, this 2nd day of July, A.D. 1951; A.L. 5951.

EDICTS

The following Lodges having failed to file their annual return and pay the amount due the Grand Lodge on or before March 1, 1952, as required by Regulation 53-08, and after due inquiry, it appearing to me that each of those lodges had later filed its annual return and had paid in full the amount due the Grand Lodge thereon, together with the penalty described for each delinquency, and also that there was no intent on the part of the proper officers to violate that Regulation, I did, between March 14th, 18th, and 20th, 1952, under the provisions of Reg. 53-08, issue edicts to each of those lodges removing all of the disabilities provided in that Regulation and any subdivision thereof:

INVASION OF JURISDICTION

February 12, 1952, Brother W. L. Burke, Secretary of Bula Lodge No. 409, of Burlington, reported to me that Thomas M. Holt Lodge No. 492, of Graham, had invaded the territorial jurisdiction of Bula Lodge No. 409 in electing for the degrees and initiating Mr. William G. Kick, who, he stated, resided within the corporate limits of Burlington.

In a letter received from Brother H. T. Hogan, Master of Thomas M. Holt Lodge No. 492, he admits that Mr. William G. Kick resides within the corporate limits of Burlington (which had been extended within the last few years), but that he resided nearer to Thomas M. Holt Lodge No. 492 than to Bula Lodge No. 409.

DECISION:

That Thomas M. Holt Lodge No. 492 has invaded the territorial jurisdiction of Bula Lodge No. 409. Reg. 48-02 (1, 5). It is further ordered that Thomas M. Holt Lodge No. 492 fully comply with Reg. 48-16 as in such cases provided.

APPEAL TO THE GRAND MASTER

Worshipful A. C. McLellan, Past Master, and a member of Hamlet Lodge No. 532, wrote a letter October 24, 1951, to the Master of that lodge in which he stated that he could not attend the stated communication of the lodge on October 25, 1951 and requested the Master to include in the minutes of that stated communication the following request:

"That a ruling of the Grand Lodge, A.F.&A.M., of North Carolina be sought through the regular channels as to whether or not you could have a legally constituted Master Mason's lodge assembled in the lodge hall on October 18, 1951, since you did not notify the member-

ship generally and fully that you were calling an Emergent Communication to be held on that date."

The Master denied the request, refused to have the entry made in the minutes and wrote Brother McLellan on October 29, 1951, giving his reasons therefor, among which it appears that the minutes of the stated communication on October 11, 1951, shows that announcement was then made in open lodge, that an Emergent Communication was ordered for October 18, 1951, at 8:00 p.m., for the purpose of work in the Entered Apprentice Degree.

Brother McLellan appeals to the Grand Master from the decision of the Master.

DECISION ON APPEAL:

That the action of the Master was in conformity with Reg. 51-14 and that the Emergent Communication of October 18, 1951, of Hamlet Lodge No. 532 was duly and properly called and held under that Regulation. No further notice to the members of the lodge was required.

MASONIC TRIALS

In adopting the Trial Code of 1948, the procedure for conducting trials was completely changed and a commission form under the direction of a Judge Advocate was adopted. This necessitated the setting up of forms and procedures to properly carry out the wishes of the Grand Lodge, all of which required time, thought and work.

There has been some delay in handling cases in the past, due to various circumstances, but I am of the opinion that in the future in all cases for trial, they will be handled promptly and efficiently. I have requested the Judge Advocate to bring you a report at this communication for your information.

VISITS TO GRAND LODGES

During the administration of Most Worshipful Brother Wallace E. Caldwell, I was privileged to visit the Grand Lodges of Illinois, Tennessee, Maryland, and Virginia.

Many invitations have been received during this year to visit other Grand Lodges, but owing to other engage-

ments and obligations connected with the office of Grand Master I have been permitted to accept only two.

December 27, 1951, accompanied by Right Worshipful Brother Edwin T. Howard, Senior Grand Warden, I attended the Quarterly Communication of the Grand Lodge of Pennsylvania. This was the occasion of the installation of the Officers of the Grand Lodge. It was a most dignified and impressive ceremony. Many social activities were provided for entertainment, which were most enjoyable.

February 11, 1952, accompanied by Right Worshipful Brother William H. White, Deputy Grand Master, and Right Worshipful Brother Edwin T. Howard, Senior Grand Warden, together with their wives and my daughter, Mrs. S. A. Hennis, Jr., I attended the 174th Annual Communication of the Grand Lodge of Virginia.

At this communication was inaugurated the Bi-Centennial Celebration of the initiation of Brother George Washington into the Fraternity. Most Worshipful Brother Karl J. Mohr, Past Grand Master of Illinois and Secretary-Treasurer of the Grand Masters' Conference, was the speaker for the occasion. This celebration will have its culmination in a meeting of Fredericksburg Lodge No. 4 in co-operation with the Grand Lodge of Virginia on November 4, 1952.

Feeling that the Grand Lodge of North Carolina should participate in some way in the celebration of the initiation of the immortal Washington, I appointed Right Worshipful Brother William H. White, Deputy Grand Master, Right Worshipful Brother Edwin T. Howard, Senior Grand Warden, and Right Worshipful Brother Robert L. Pugh, Junior Grand Warden, a committee to arrange for such activities as they may deem advisable.

At all of the visitations to Grand Lodges, I was received with every courtesy and consideration.

THE CONFERENCE OF GRAND MASTERS

It was my privilege to attend the Conference of Grand Masters of Masons in North Carolina as your Grand Master on February 20 and 21.

This Conference affords an opportunity for the exchange of ideas, the discussion of various questions affecting the Craft, and hearing well prepared papers on important issues.

At this meeting a paper prepared by Brother Roscoe Pound, Dean Emeritus of Harvard Law School, and read by Judge Bushnell, on the subject "Landmarks in Freemasonry" was an outstanding contribution and should be read and studied by every Masonic student.

MASONIC SERVICE ASSOCIATION

On February 19, I attended the annual meeting of the Masonic Service Association of the United States. This Association was organized in 1919 as a result of the need, so glaringly revealed in World War I, of a means whereby American Freemasonry could speak and act unitedly. During its 33 years of existence the Association has proved beyond question that it is correctly named.

Of the 49 Grand Lodges in the United States, 34 are members. Five years ago the Grand Lodge of the Philippine Islands requested, and was granted, permission to join because of the deep gratitude of our Philippine brethren for the Association's aid in their rehabilitation work.

The Association has raised by voluntary subscription, and expended, more than three million dollars for relief in cases of disaster too formidable to be dealt with by local agencies, and in Service Centers which operated from '41 to '46. It is now conducting a program of visitation in 100 or more Army, Navy, Marine and Veteran Hospitals, which has received the most enthusiastic commendation from government and hospital authorities and which, in my judgment, represents publicity of incalculable value for our Fraternity.

In the field of Masonic Education the Association has made a tremendous and significant contribution. Perhaps the most useful and popular item in the Association's list of publications is the Short Talk Bulletin—a brief essay on some Masonic topic published every month. I regret to say that in North Carolina these in-

formative and interesting booklets have been scantily used, but 40,000 copies of them were sold out of stock during 1951 and they supply material for Masonic speeches and discussions, which is not available from any other source.

In addition, the Association has published a Masonic novel, a volume of Masonic short stories, 12 Masonic plays (which have been produced all over the country), and several volumes of Masonic essays. Every month a digest appears which presents in convenient form the results of questionnaires and research. For example, last year there was a digest showing a chart of foreign Grand Lodges recognized by American Grand Lodges, another on the Regius Poem (Masonry's oldest and most important document), another setting forth the various views and practices of American Grand Lodges in the matter of incorporation, another on the Bible in Masonic ritual, etc. These documents have proved their great value over and over again and are in heavy and constant demand.

I am happy that our Grand Lodge is a member of this useful organization, and I urge that we continue our membership. I also recommend that the Committee on Finance make as liberal a donation to this most worthy cause as they may deem advisable.

THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

February 22, 1952, when I entered the George Washington Masonic Memorial and first looked upon the statue of George Washington, my mind reverted to those early days as I thought of Valley Forge, of Trenton, of Yorktown, and tried to visualize the motives which actuated early patriots to pledge each to the other their lives, their fortunes, and their sacred honor. I am happy we have had a part in this great memorial and recommend a continuation of the appropriation.

GRAND SECRETARY

To the Grand Secretary, I owe a debt of gratitude for his efforts in trying to make a Grand Master from the available material. He has assisted me in all the District

Meetings and while I was in the hospital he took over the schedule, arranged for someone to speak at each meeting and gave me a complete report of all happenings.

He has also done everything possible to assist me to solve the many problems with which the Grand Master has to contend, striving to keep me from making errors and assisting me in trying to solve the many questions which arise.

He has been working day and night and many times on Sunday in an effort to handle the increasing responsibilities of his office and taking care of the great volume of correspondence which continues to pile up.

Much of this correspondence would be unnecessary if the Masters and Secretaries would study and follow THE CODE.

One of the chief sources of trouble which entails much correspondence is the violation of Regulation 95-14 of THE CODE. This regulation provides that inter-jurisdictional correspondence between subordinate lodges be cleared through the Grand Secretary's office.

When the Regulation is violated, it usually results in additional work for the Grand Secretary and the Grand Master to correct the mistakes which nearly always occur. I have imposed no penalties for violation of this regulation but suggest to the incoming Grand Master that, except when there are mitigating circumstances, a penalty be imposed.

COMMITTEES, COMMISSIONS, BOARDS, AND BOARDS OF DIRECTORS

For the past four years, I have attended many meetings of Committees, Commissions, Boards and Boards of Directors of the Grand Lodge and am disappointed in the failure of many members to attend the meetings. These Boards and Committees need mature judgment, advice and assistance of the able men who have been appointed or elected to them.

The Grand Lodge, when it appoints or elects a brother to one of these important Boards or Committees assumes, and has a right to expect, that he will devote some of his

time and services to the work of such Boards and Committees. I am afraid some of our brethren accept the honor and let it end there.

THE BOARD OF DIRECTORS OF
THE NORTH CAROLINA MASONIC FOUNDATION, INC.

Too much cannot be said in appreciation of the labors of this Board. Taking over the Permanent Fund of the Grand Lodge at a time when the economic situation was most unfavorable, they have, by close supervision and direction, increased this fund until they have almost reached their goal of one million dollars. By wise and judicious handling of this fund, they have this year been enabled to add to the fund a profit of more than seventy thousand dollars. In what other organization can you find a group of men who serve so unselfishly? The Masons of North Carolina owe to this Board a debt of gratitude for the valuable service they have rendered.

MASONIC AND EASTERN STAR HOME

Under the capable management of Brother George R. Bennette, the Home is continuing to serve those of our brethren and their wives, who are approaching the sunset of life, in a satisfactory manner.

The Home is largely directed by the members of the Eastern Star because some of the directors elected by the Grand Lodge do not attend the meetings. I feel that the advice and assistance of the Masonic members of the Board could be of value in directing the affairs of the Home.

I recommend that the usual appropriations be made toward the support and maintenance of the Masonic and Eastern Star Home.

OXFORD ORPHANAGE

It is not necessary for me to say anything to you in support of this great and important institution. Your love and devotion to it is known and recognized in every nook and corner of the State. I do, however, wish to commend you for the liberal contribution you continue to make to the support and maintenance of our children at the Orphanage.

I recommend that the usual appropriation be made for this most worthy cause.

STATE OF THE CRAFT

As of December 31, 1951, the membership had reached an all time high of 52,251 with a net gain of 1,811. The number raised during the year was 2,572. Total receipts for the year were \$195,741.68. This includes the sum of \$27,296.10 from the Masonic Educational Loan Fund.

Your Thanksgiving offering and donations to the Oxford Orphanage were \$21,852.06 more than last year and donations to the Masonic and Eastern Star Home were, no doubt, in like proportion, although I do not have the figures.

The economic condition of the Grand Lodge and practically all of the subordinate lodges is excellent.

Many new temples have been built and nearly all lodge halls have been renovated and refurnished until they are now fit places to raise a man to the Sublime Degree of Master Mason.

The lecture service being what it is, has enabled the lodges to improve their Ritualistic work until there is hardly a lodge in this Grand Jurisdiction but that can do the work in satisfactory manner.

The spirit of Masonry is abroad in the land and almost everywhere we hear of outstanding meetings being held with programs of interest and worth.

Three lodges have been constituted under Charters during the year and five new lodges have been instituted under Dispensation. In addition three new lodges have been proposed and are in the process of formation.

My brethren, the State of the Craft in North Carolina is good, *perhaps too good*. Adversity is what brings out the best in us, not prosperity. "Whom the Lord loveth He chasteneth." While the outlook is most promising, yet we must not sit back in our complacency, assuming that all is well when there may be pitfalls ahead. Under the supervision and watchful care of many loyal and capable Masons, during the years that are gone, have

been laid the basic foundations and policies on which our prosperity depends. To them belong the glory. It is for us to so administer and safeguard the affairs of this Grand Lodge that the prosperity which we enjoy may continue and that our posterity may look back upon our efforts, not in condemnation but in commendation.

ACKNOWLEDGMENT

Had it not been for the loyal support of the Grand Lodge Officers, the able advice and assistance of the Past Grand Masters, and the splendid co-operation of the District Deputy Grand Masters, it would not have been possible for me to perform the many duties devolving upon the Grand Master. It has been a pleasure to serve with them during this Masonic year, and I wish to express to each and all of them my sincere appreciation.

SALUTATION

And now, my dearly beloved brethren. the record is before you. For any virtue there may be in it, I am indebted to those loyal and devoted Masons who have given, and are giving, so much of their time, ability and service to those who are endeavoring to direct the affairs of your Grand Lodge. For its mistakes and short comings, I beg your charitable consideration.

Words cannot express my appreciation for the undeserved opportunity of serving you as Grand Master. It has been a year of joy and inspiration to me and the remembrance of your hospitality, brotherly love, and friendship, so freely extended during my visits in and out among you, will always remain as a happy memory.

As I lay aside the duties and responsibilities of Grand Master to be taken up by another, I pledge to you and to him my wholehearted support and co-operation.

Herbert M. Joy
Grand Master.

PROCEEDINGS OF THE

EMERGENT COMMUNICATIONS OF THE GRAND LODGE

Emergent Communications of the Grand Lodge have been held as follows:

April 30, 1951, at Oxford, for the purpose of laying the cornerstone of the York Rite Memorial Chapel at Oxford Orphanage.

January 23, 1952, at Coinjock, for the purpose of dedicating the new Masonic Hall of Currituck Lodge No. 463.

MEETINGS

The Grand Secretary attended and assisted with all except two of the forty-two District Meetings which were held in 1951, having been prevented from attending those two meetings by illness. In addition to such other Masonic events as my official duties would permit me to attend, it was my privilege to attend the several Masonic conferences at Washington in February of this year—the Grand Masters' Conference, the Grand Secretaries' Conference, the Masonic Service Association of the United States, and the George Washington Masonic National Memorial Association.

M.'W.'BROTHER CHARLES B. NEWCOMB, P.G.M., P.G.S.

No report of your Grand Secretary would be complete without a further expression of my sincere and grateful appreciation to, and my admiration for, M.'W.'Brother Charles Bailey Newcomb, Past Grand Master, Past Grand Secretary, for his continued able and wise counsel and advice on so many occasions during the past year. May the Fraternity have the benefit of the outstanding ability, interest and energy of this MASTER MASON for many years to come!

THE GRAND SECRETARY'S OFFICE

The demands for service by the Grand Secretary's Office continue to increase as our lodges and the membership of those lodges increase in number. (SEE membership statistics immediately following this report.) We have tried hard to render every service desired; however, we realize that it has not been possible for us—even by working many "over-time" hours—to do so. It has been necessary for us to select and do those things that seemed to us to be the most important, "catching up" on the other work as and when it was possible for us to do so. We only regret that it has not been possible for us to do everything that every lodge and every brother desired us to do as and when it should have been done.

A detailed report of our needs as to personnel, equipment, etc., will be placed before the Committee on Finance and we again solicit your cooperation "for the good of Masonry."

APPRECIATION

Without the cooperation of many Brethren, our work during the past year would have been much more trying and difficult to

accomplish. For the patience and courteous cooperation of M. W. Brother Herbert M. Foy, our Grand Master, I am personally most grateful. I here record my grateful appreciation for the cooperation of all, and particularly the Line Officers of the Grand Lodge, the Past Grand Masters, the Committees, the District Deputy Grand Masters, the Secretaries of our lodges, and—last, but not least—the faithful and efficient staff in the office of the Grand Secretary. All of these, and many others, have made a *real* contribution to Freemasonry.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "W. R. M. Foy". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Grand Secretary.

PRESENTATION OF JOSEPH MONTFORT MEDALS FOR DISTINGUISHED SERVICE TO MASONRY

The M. W. Grand Master presented Joseph Montfort Medals for Distinguished Service to Masonry to M. W. Brother Wallace Everett Caldwell, P. G. M.; W. Brother Harrison Kauffman, P. M.; and W. Samuel Newman Boyce, P. M., and formerly Grand Lecturer of The Grand Lodge of North Carolina.

M. W. BROTHER WALLACE EVERETT
CALDWELL, P. G. M.

THE M. W. GRAND MASTER: Brother Wallace E. Caldwell, will you approach the East?

It was my privilege to be closely associated with you during the years that I have served in the Grand Line

and I have found in you a warm friend and most courteous superior officer. The ability of this man as an orator, his love for the Masonic Fraternity has endeared him to the Masons of North Carolina and among Masons of other Jurisdictions. I consider it an honor and a privilege, Brother Caldwell, to present to you this Jewel.

M. W. BROTHER WALLACE E. CALDWELL, P. G. M.: Most Worshipful Sir, I do not know that I have had greater pleasure in receiving a Jewel. I have received other Jewels during the years that I have served in the Grand Lodge line, and I want to express to you again my appreciation for all the favors and courtesies extended to me. It is very nice to have these things said to you, and I have certainly enjoyed my years of service as an officer of the Grand Lodge of North Carolina, and the association with you of the Grand Lodge as I have traveled around and gotten to know you all, and I am very proud and happy to have this Medal as a token of the love which I hope you all extend to me.

W. BROTHER HARRISON KAUFFMAN, P.M.

THE M. W. GRAND MASTER: Brother Harrison Kauffman, will you approach the East?

My Brethren, when I received my first appointment as a District Deputy Grand Master from Past Grand Master John E. Cameron, I met a man who impressed me by his friendliness and willingness to cooperate and his ready inclination to help a green Deputy who had just started in the work. I have been more or less closely associated with Harrison Kauffman ever since that day. I have known of his going in and out among the various lodges all around the central section of the State, and to the extreme end of the State to help them in ritualistic work. Here is a man who has rendered great service to Masonry, and to him I wish to present this Joseph Montfort Medal.

W. BROTHER HARRISON KAUFFMAN: Most Worshipful Grand Master, Distinguished Guests and Brethren: Words fail me at this time to express my sincere appreciation for this Joseph Montfort Medal that you so

graciously have given to me. I can assure you that our association has always been one of the most pleasant that I remember. I presume it was more than twenty-five years ago, if I dare go back that far, when we were District Deputies together. I do not recall just how many years our Grand Master was a Deputy, but I do remember how many I happened to be one, and that was thirteen years in the largest District in the State. I wish to say that the District Deputy can be of great help to the brethren of the State, and I think that it is a great honor to be a Deputy and to serve the Brethren. I wish that I had the words, Most Worshipful Sir, to tell you just how I appreciate this high honor that you have bestowed upon me. It reminds me somewhat of the story told of the old Indian Chief who for services rendered to the Government had been presented with a very beautiful gift, and the old Chief stood there and never said a word. After the chairman had made the presentation, he asked the old Chief if he would like to say anything in answer to the presentation. Whereupon, the old Chief said, "White man have tongue, but" he says, "I have a heart, and heart have no tongue."

I feel somewhat like the old Chief tonight, my heart is too full to express to you and to the Brethren of the Grand Lodge of North Carolina my sincere appreciation for this Joseph Montfort Medal which I shall cherish as long as I live. I thank you.

W. .BROTHER SAMUEL NEWMAN BOYCE, P.M.

THE M. .W. .GRAND MASTER: Most Worshipful Herbert C. Alexander, will you approach the East?

My Brethren, a man who sat next to the Grand Masters for many years, and who assisted in opening and closing the Lodge, a fine looking man, tall, distinguished looking, who had a most kindly and friendly expression, but I regret to say that the other night he underwent a serious operation, but he was a man that impressed me forcefully, most forcefully, and so I want to present to W. .Brother Samuel N. Boyce, who served this Grand Lodge for many years, this Joseph Montfort Medal. I commission you, Most Worshipful Sir, to take this Medal

to Brother Boyce on behalf of the Grand Lodge of North Carolina, and present it to him.

MESSAGES SENT

The Grand Secretary was instructed to send to M. W. Brothers Julius C. Hobbs, Charles P. Eldridge, and Edgar W. Timberlake, Past Grand Masters; W. Brother John F. Lynch, District Deputy Grand Master; and W. Brother Samuel N. Boyce, all absent on account of illness, messages expressing our love and affection for them, and our sincere wish that each of them will soon be fully recovered.

(NOTE: The messages were sent. W. L. M., G. S.)

Brother Poteat was duly elected to the office of Honourary Past Grand Master by the Grand Lodge of Alberta, Ancient Free and Accepted Masons, on June 14, 1951. The M. W. Grand Master congratulated M. Brother Hubert McNeill Poteat, 33°, Past Grand Master of Masons in North Carolina, Past Imperial Potentate of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, inspired and thrilled the brethren assembled with his address.

(NOTE We regret that we are unable to give you the text of the Grand Orator's excellent address; however, the Grand

**REPORT OF BOARD OF DIRECTORS OF THE
NORTH CAROLINA MASONIC FOUNDATION, INC.**

(Docket No. 18)

The following report of the Directors of The North Carolina Masonic Foundation, Incorporated, was read, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The Directors of The North Carolina Masonic Foundation, Incorporated, respectfully present the following report of income, disbursements, assets and liabilities of the Permanent Fund, the B. F. Moore Legacy, the Masonic Temple Construction Company, Inc., the Masonic Educational Loan Fund, and the Taylor Grant Fund, for each of which the Foundation is the Custodian, and which constitutes its entire business for the calendar year ending December 31, 1951:

PERMANENT FUND—1951

The attached exhibits are taken from the report of the Auditor for the calendar year 1951 and we have retained identification of the exhibits for convenience. They present fully and in detail the record of our transactions and, therefore, we use these exhibits as a part of our report.

1: The statement of income and expenses will be found on Exhibit "I" (Pages, 1, 2 and 3).

2: The inventory of investments in government bonds will be found on Exhibit "J" (Pages 1, 2, 3, and 4).

3: The inventory of investments in corporate bonds will be found on Exhibit "K."

4. The inventory of investments in corporate stocks will be found on Exhibit "L."

5: The statement of assets and liabilities will be found on Exhibit "G."

B. F. MOORE LEGACY

We use the exhibit of the Auditor in presenting the details of our handling of these funds, for the same reason stated above.

1: The statement of assets and liabilities, and the statement of receipts and disbursements will be found on Exhibit "M."

The principal of the account (\$1,000.00), having been delivered to the Foundation in accordance with the order of the Grand Lodge at the Annual Communication in 1948 (SEE Proceedings for 1948, Page 165), was invested in one United States Government Bond, Series "G" (No. M6415375G).

We report that the income on this account in the sum of \$25.00 has been paid to Oxford Orphanage in accordance with

the provisions of the will of our late Brother Bartholomew Figures Moore.

MASONIC TEMPLE CONSTRUCTION COMPANY, INC.

We use Exhibit "N" of the Auditor's Report to the Grand Lodge for the purpose of showing the status of the assets of the Masonic Temple Construction Company, Incorporated, the Grand Lodge having ordered at the Annual Communication in 1948 that "all monies and securities in the hands of the Masonic Temple Construction Company, Inc., be turned over to The North Carolina Masonic Foundation, Inc., for investment with other General Funds of the Grand Lodge." (SEE Proceedings for 1948, Page 165). The assets indicated on Exhibit "N," being \$8,000.00 in United States Government Bonds, have been delivered to the Foundation.

MASONIC EDUCATIONAL LOAN FUND—1951

We use the exhibits of the Auditor in presenting the details of our handling of these funds, for the same reason stated above (SEE PERMANENT FUND—1951).

1: The statement of receipts and disbursements will be found on Exhibit "P."

2: The inventory of assets, consisting of United States Government Bonds, will be found on Exhibit "Q."

3: The statement of assets and liabilities of this account will be found on Exhibit "O."

We report that the income on this account, in the sum of \$523.75, has been paid to Brother C. B. Shulenberger, Chairman of the Masonic Educational Loan Fund Committee.

We also report that, in accordance with the instructions of the Grand Lodge at the Annual Communication in 1951 (SEE Pages 85 and 160 of the Proceedings for 1951), we paid to Brother C. B. Shulenberger, Chairman of the Masonic Educational Loan Fund Committee, the sum of \$68,356.70, that amount being the combined interest of the Grand Lodge, the Grand Chapter, and the Grand Commandery in the Masonic Educational Loan Fund as of the date of said payment (May 25, 1951). There remains in this account the interest of the Scottish Rite Bodies only, the same being United States Government Bonds having a maturity value of \$29,900.00 and a cash value in the amount of \$23,396.30 as of May 15, 1951.

GRANT DONATION—1951

We use Exhibit "R" of the Auditor's Report to show the status of this Fund, the entire amount of the same being deposited in the Foundation's account in Wachovia Bank and Trust Company, Raleigh, N. C.

For complete information on this subject, we refer you to the reports of the Committee on Finance on Page 187 of the Proceedings for 1947, and on Page 165 of the Proceedings for 1948.

Due to the fact that the amount (\$500.00) was not delivered to the Foundation during the year 1948, the same was again set up in the budget of the Grand Lodge at the Annual Communication of 1949 (SEE Page 182 of the Proceedings for 1949), and it was delivered to and received by the Foundation during the year 1949.

COMBINED STATEMENT

A statement showing the assets and liabilities of the Permanent Fund, the B. F. Moore Legacy, the Masonic Temple Construction Company, Inc., the Masonic Educational Loan Fund, and the Grant Fund will appear on Schedule "A" attached.

INCOME, PROFITS AND DISBURSEMENTS

We believe that the several exhibits and schedules submitted herewith show in sufficient detail the source of income and profits, and the objects of the disbursements. It will be noted, however, that total income from investments was \$29,828.53, and that net profits from sales of securities amounted to \$66,787.85, making a total of \$96,616.38; and that expenses amount to \$6,150.49, leaving a net balance of \$90,465.89 from these two sources which (together with \$25,000.00 transferred from the General Fund of the Grand Lodge for investment and \$27,296.10 to transfer the interest of the Grand Lodge in the Masonic Educational Loan Fund for investment) was added to the surplus, the total of the said surplus (of the Permanent Fund of the Grand Lodge) having been \$947,305.35 as of December 31, 1951.

REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

(Docket No. 19)

The following report of M. W. Brother Thomas J. Harkins, P.G.M., Representative to the George Washington Masonic National Memorial Association, was read, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

As your representative to the annual meeting held February 22, 1952, of the George Washington Masonic National Memorial Association, I have the honor to report that due to illness in my family, I was unable personally to be present at this meeting, but our M. W. Grand Master, at my instance, designated our genial Grand Secretary to attend this meeting and report to me the principal events, the substance of which I am transmitting to the Grand Lodge in this report.

The magnificent building of the George Washington Masonic National Memorial Association is almost completed. Only a few hundred thousand dollars more will be necessary to complete fruition. For one to appreciate the truly magnificent proportions of this memorial, one would have to personally visit and inspect the building. From a photograph or picture of the building, only the vaguest idea of its internal architectural beauty and its spacious proportions can be gained. It is indeed a great credit to the fraternity in its effort to express the appreciation of Masons everywhere of the character and qualities of the first president of our republic and the father of our country. No Mason should fail to personally visit and inspect this great building at the first opportunity.

There was a note of sadness in the meeting this year occasioned by the death of Ill. Brother Elmer Raymond Arn, who for many years served as President of the Association and directed its affairs. He was President of the Association at the time of his death. A marble bust of Illustrious Brother Arn, by Bryant Baker, sculptor, was presented to the Association by the M. W. Grand Lodge of the State of Ohio and was placed at an appropriate position in the memorial building.

To succeed Ill. Brother Arn, Brother C. D. Jory, Past Grand Master of the Grand Lodge of Iowa, was elected President of the Association.

It will require to complete the memorial building and the landscaping of the acres upon which it stands approximately a million dollars. At the meeting this year there was the customary parade of representatives of Grand Lodges and other Grand

Bodies handing up the checks of their jurisdictions to the presiding officer. Some of these contributions were allocated by the donors to the building fund and some of them to the permanent maintenance fund. The permanent maintenance fund up to this time has not reached the \$1,000,000 mark. It is my belief that this permanent fund will have to reach a minimum of \$5,000,000 to produce an income sufficient to permanently and properly maintain the building and grounds of the memorial.

North Carolina has liberally contributed to the building fund and has gone considerably beyond its expected quota for that purpose. It is, therefore, suggested that in the future whatever the Grand Lodge of North Carolina has to contribute to this memorial, the principal portion of its contribution be allocated to the permanent maintenance fund.

REPORT OF THE REPRESENTATIVE TO THE MASONIC SERVICE ASSOCIATION OF THE UNITED STATES

(Docket No. 20)

The following report of M. W. Brother Thomas J. Harkins, P.G.M., Representative to the Masonic Service Association of the United States, was read and entered on the record. Recommendation No. 1, that this Grand Lodge continue its membership in the Masonic Service Association of the United States for the ensuing year, was adopted unanimously, and the matter of finances was referred to the Committee on Finance; recommendation No. 2 was referred to the Committee on Finance; recommendation No. 3 was adopted; and recommendation No. 4 was *not* adopted.

To the Most Worshipful Grand Lodge of North Carolina:

As the official representative of the Grand Lodge of North Carolina to the annual meeting of the Masonic Service Association, I submit the following report:

The Association met in the Statler Hotel on the morning of February 19th. This meeting of the Association was more or less routine with the principal item on the agenda being the report of the Executive Commission.

This report was presented in an interesting manner as always by Ill. Brother Hubert M. Poteat, a member of the Executive Commission of the Association.

As heretofore pointed out in previous reports, the Masonic Service Association conducts its affairs under two principal

heads, namely, (1) General Activities and (2) Welfare Department. Under the title of General Activities the M.S.A. carries on what is known as its regular work, that is, it prepares and sends out monthly supposedly to all of the Blue Lodges in the member states, a little pamphlet under the name of "Short Talk Bulletin." This is the only service that the Association furnishes Blue Lodges of its member Grand Lodges, and the cost thereof is somewhere from two to three cents per capita from the respective Grand Lodge membership.

(1) GENERAL ACTIVITIES:

I refer to the fact again that in 1948-49 I made a complete canvass of every Symbolic Lodge in the State of North Carolina to ascertain what use was being made of these monthly bulletins, and in my report which followed I pointed out the fact that some 30% of the Symbolic Lodges in the State were not receiving the Short Talk Bulletins and that substantial use of the bulletins was made only by about 5% of the Blue Lodges; that is to say, out of the 300 or more Blue Lodges in North Carolina, only 14 or 15 of them were making any substantial use of the bulletins.

At a subsequent Grand Lodge meeting I reported certain suggestions that I had made to Brother Carl Claudy, Executive Secretary of the Masonic Service Association, looking toward the improvement of these Short Talk Bulletins in a way that would make them more attractive and would elicit greater interest and bring about greater use on the part of our Blue Lodges.

These recommendations by me were favorably considered by a majority of the committee of the Association on publications. Some of the members of that committee thought as I did that the suggestions were good and were worthwhile. However, I was advised that the suggestions had been submitted to the Executive Commission and that they had been turned down. Since the canvass of the symbolic lodges in North Carolina above referred to, I have taken occasion to inquire wherever I have been on Masonic visitations and wherever I have attended lodge, and I find that there has been no improvement whatsoever either in the nature of the character of the bulletins themselves or in the use of them by the symbolic lodges.

This service costs our Grand Lodge some \$1200 or \$1400 each year. It is my sincere belief that unless the bulletins are improved as to their contents in such a way as to make them interesting and useful to our symbolic lodges, the service is, so far as benefits to Freemasonry or to our symbolic lodges are concerned, of very questionable value.

To carry on these general activities of the Masonic Service Association, the Grand Lodge members of the Association, some 35 in number, contributed in round figures approximately \$46,000. It is my opinion that the basis for these annual contributions for the general activities of the Association is neither an equitable or fair one. It seems to be the rule of the Association that the

smaller the Grand Lodge, the greater per capita is its required contribution, and the larger the Grand Lodge, the lesser is the required per capita contribution.

It is my belief that if there should be any difference in the required per capita contributions of the several Grand Lodges to this work, it should be in favor of the smaller Grand Lodges. An example will illustrate this point. North Carolina has in round figures 50,000 Masons. The State of New York has in round numbers 300,000 Masons, or 6 times as many as North Carolina. Yet the annual contribution of the Grand Lodge of New York is only about three times the contribution of the Grand Lodge of North Carolina, when as a matter of fact, it should be at least 6 times as great. Just why the larger Grand Lodges, which presumably are more able to pay than the smaller ones, should pay at a lesser rate per capita than the smaller Grand Lodges, I do not know and cannot understand.

It is my belief and I recommend that the contributions of all of the member Grand Lodges in the Masonic Service Association be required to contribute strictly upon the per capita basis of so much per member. The Grand Lodges which have membership in the M.S.A. have a total Blue Lodge membership of 2,157,912. If this work is considered worthwhile, then it should be paid for on a pro rata membership basis by all of the member Grand Lodges, and the greater pro rata burden should not fall upon the small jurisdictions as is now the case.

(2) WELFARE DEPARTMENT

Under this heading the Masonic Service Association conducts its hospital visitation service. My report last year under this heading showed that the Grand Lodge members of the Association failed woefully to adequately support financially the work the M.S.A. is doing in this field, and that last year, in order to make up a very large deficit, the M.S.A. had to cash a large amount of its reserve securities.

At the meeting in 1951 an urgent appeal was made to the Grand Lodge members to increase their contributions to this work. The report rendered at the February 1952 meeting showed that there was some increase in these contributions. The report shows that the financial outlay for this work during the year 1951 was approximately \$221,000. The contributions of the Grand Lodges to this work amounted to \$161,000 or approximately \$60,000 less than the amount spent by the M.S.A. Other organizations other than Grand Lodges contributed approximately \$22,000 to this work which left a deficit of approximately \$40,000 which the M.S.A. spent for this work more than it took in. To make up the deficit it was necessary as shown by the report for the M.S.A. to cash another \$100,000 in securities from its reserve funds.

It is quite obvious that the Grand Lodge members of the M.S.A. are not properly supporting this work. Financial support of this so-called welfare work of the M.S.A. appears to be purely

on a voluntary basis, that is to say, each Grand Lodge contributes just what it wishes to contribute or nothing as each may choose.

It is my opinion that if the Grand Lodges regard this work as worthwhile, and evidently they do, that the work should be paid for by contributions from all Grand Lodge members of the Association strictly upon a Blue Lodge membership per capita basis.

Thirty-five Grand Lodges of the United States are members of the Association. Several of these Grand Lodges contributed nothing whatsoever to this welfare work last year. For instance North Carolina has 50,000 Blue Lodge Masons and contributed \$3,000 to this work. The State of New York has 300,000 Masons and contributed \$5,000. On the same basis as the contribution made by North Carolina, New York should have contributed \$18,000 instead of \$5,000. Another example: The State of Ohio has 208,000 Blue Lodge Masons or 4 times as many as North Carolina. Yet the State of Ohio contributed not one cent to this welfare work during the year 1951. The State of Florida has practically the same number of Masons as the State of North Carolina. Florida made no contribution whatsoever to this welfare work during the year 1951. The same is true of the State of Mississippi. New Hampshire, a member of the Association, made no contribution to this welfare work.

While some of the member Grand Lodges, some of them the largest in the United States, were contributing nothing to this welfare work, other Grand Lodges were contributing excessively large amounts, and in consequence were bearing the main burden of this project of the M.S.A.

It is the position of your representative that if this work is to be continued, the raising of the money necessary to carry the program out should be on a pro rata basis of all member Grand Lodges. That is the only equitable, just and fair basis. There is nothing in the annual report of the Executive Commission to indicate why some of these larger Grand Lodges declined to contribute anything at all to this welfare work unless perchance, they believe that the work is really not worthwhile and is a mere duplication of the same service which is being performed by Government agencies, the Red Cross and other organizations of that type.

RECOMMENDATIONS:

1. Your representative recommends that the Grand Lodge of North Carolina continue its membership in the M.S.A. for the ensuing year and pay therefor the same amount paid by it during the year 1951, namely \$1,295.00.

2. That the Grand Lodge of North Carolina contribute to the so-called welfare work of the Association, for the year of 1952, \$3,000.00, the same as last year.

3. That the Grand Lodge of North Carolina recommend to

the Masonic Service Association that the charges for membership in the Association be based strictly upon so much per capita of Blue Lodge membership in each Grand Jurisdiction so that the rate of pay for membership in the Association would be equal for all Grand Lodges.

4. That contributions of member Grand Lodges for the so-called welfare work of the Association be placed strictly upon a per capita Blue Lodge membership for each jurisdiction.

THOS J. HARKINS, P. G. M.

NOTE: Due to illness in my family, I was unable personally to attend the 1952 meeting of the Association. This report is made up from the printed program, the printed report of the Executive Commission and the financial statements of the official auditor of the Association.

REPORT OF THE BOARD OF DIRECTORS OF THE MASONIC AND EASTERN STAR HOME, INC.

(Docket No. 21)

The Board of Directors of the Masonic and Eastern Star Home, Inc., presented the following report, which was read by Brother W. M. York, received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The thirty-eighth annual report of the Home is one of success. The year 1951 was the best we have ever had. We took care of the largest number of Guests in the Home, an average of 73.8, and an average of 21 on Home Aid, a total of 94.8 for the year.

With the cost of living going up, and the increase in the number of Guests cared for, our expenses were larger. The Masons and Eastern Stars met this increase in a fine way. Contributions exceeded expenses by \$2,734.72, and the total assets of the Home were increased by \$61,962.13.

The campaign for donations to build the new kitchen was a splendid success, and it will be completed and in use before the end of January.

Although we had 6,503 days of care of Guests in the Latham Infirmary, and with four major operations in the hospital, our death rate was low, only eight during the year. Our daily per capita cost for 1951 was \$2.74 as compared with \$2.49 in 1950. We feel that our Superintendent, George R. Bennette, and his staff of co-workers are doing a splendid job in giving our Guests the very best of care, and at the same time holding down expenses to a minimum. In a survey made by the Masonic Homes Executive Association of twenty-two Masonic Homes for the aged, we

find that twelve of the twenty-two have a higher per capita cost than we do. Our Home is operated at a cost of 15 per cent under the average for the twenty-two.

The Sunshine Fund, supplied by the Eastern Stars and friends, has continued to provide bus tokens, ice cream, fruits, and radio repairs for the Guests.

Daily papers, magazines, and local papers were furnished by the York Rite Bodies.

Oasis and Sudan Shrines supplied the funds for new tables and chairs for the dining room.

A good Mason and his wife, who request that their names not be used, gave the Guests a \$795.00 television set with a 24-inch screen.

The annual audit, made by the Grand Lodge Auditor, shows some interesting facts. The Endowment Fund was increased by \$6,493.16, giving us a total of \$72,409.41. The interest on Permanent Fund investments amounted to \$1,514.15. We now have \$58,953.25 in this fund.

REPORT OF THE COMMITTEE ON FOREIGN
CORRESPONDENCE

(Docket No. 22)

The following report of the Committee on Foreign Correspondence was read, received, entered on the record, and *adopted as to the recommendations on recognition of Grand Lodges only*:

To the Most Worshipful Grand Lodge of North Carolina:

Your Committee on Foreign Correspondence wishes to recommend the following:

The National Grand Lodge of Iceland was duly constituted by the National Grand Lodge of Denmark which we recognize. It is an independent body, which meets all the qualifications for recognition. It has recently been recognized by the United Grand Lodge of England. I recommend its recognition.

The United Grand Lodge of Germany was organized by a union of the former Grand Lodges of that nation. It has proved its merit since its organization. Its recognition has been recommended by the Grand Lodge of Switzerland which is in an excellent position to judge. In so far as our recognition will strengthen the cause of Masonry in Germany after its period of persecution, we will be taking the proper Masonic course. I recommend its recognition.

The Grand Lodge of Piaui in Brazil requests recognition. This request came into my hands too late for investigation. I therefore recommend that the matter be held over until next Grand Lodge without prejudice.

My predecessor, M. W. Luther T. Hartsell, Jr., P. G. M., after a very careful study of the records, prepared a list of all Grand Lodges recognized by us, which list is made a part of this report. (NOTE: SEE the above-mentioned list in the APPENDIX to these Proceedings. W. L. M., G. S.). He found four Grand Lodges with which we have exchanged representatives but for which he could find no record of recognition, to-wit: Argentina, Bolivia, Ceara in Brazil, and Rio Grande do Sul in Brazil. Of these four the regularity of the Grand Lodges of Argentina and Bolivia seems to be clear. I recommend that our relations with them be regularized by formal recognition by this Grand Lodge. While the other two may be just as regular, it would appear that further investigation is desirable and I recommend that action be deferred without prejudice until the next Grand Lodge. If, however, any of these four Grand Lodges can produce evidence of earlier recognition, I recommend that the dates thus produced be assigned to them in our records.

Fraternally submitted,
WALLACE E. CALDWELL, P. G. M., Chairman,
Committee on Foreign Correspondence.

REPORT OF THE BOARD OF DIRECTORS OF THE OXFORD ORPHANAGE, INC.

(Docket No. 23)

The Board of Directors of the Oxford Orphanage, Inc., presented the following report, which was read by Brother Benjamin Cone, received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The Board of Directors of Oxford Orphanage herewith submits its report to the Grand Lodge of North Carolina, which includes a detailed report of the Superintendent and the Departments of the Orphanage.

We are conscious of the need to portray the facts concerning Oxford Orphanage to each Mason of North Carolina because we believe this will magnify the interest and activity in the Orphanage Program. Therefore, we are urgently requesting each Lodge to arrange a visit for its members so they may learn the scope of the Program of Oxford Orphanage and may view with delight the beauty of the lives and campus.

The Board of Directors held its regular meetings throughout the year and administered all of the affairs of the Orphanage. The Executive Committee and the local Advisory Board in Oxford held their regular meetings and made full reports to the Board of Directors.

The Board of Directors is most appreciative to the Masonic Lodges, the Grand Lodge, the various Masonic related Bodies, the Shrine Temple, and the Order of the Eastern Star for their continued generosity in the welfare of the Orphanage and its children. We are especially grateful to the York Rite Masons of North Carolina for the beautiful and adequate York Rite Memorial Chapel which is being constructed on the campus. This Chapel will satisfy a long felt need and will allow the Orphanage an opportunity to expand its Program of opportunity for its children.

The Board of Directors greatly appreciates the continued support of the State of North Carolina, the approval, and appropriation of the Duke Endowment.

The Orphanage again operated within its budget and completed the year free of debt.

During the year, we operated at capacity, enrolling children from 69 counties of North Carolina, of which only 8% are children of Masonic parentage.

We continued to maintain buildings, equipment, and grounds in the best possible condition, to provide the greatest opportunities and recognized that the greatest need at Oxford Orphanage in-

cludes a gymnasium to provide adequate physical education and recreational facilities.

Again we urge each Mason to read this report and to visit the Orphanage so he may understand and appreciate the contribution he is making to the lives of boys and girls.

Respectfully submitted,

BOARD OF DIRECTORS OF THE OXFORD ORPHANAGE, Inc.

The M. W. Grand Master recognized R. W. Brother John I. Smith, Deputy Grand Master, Acting Grand Master of Masons in South Carolina.

R. W. BROTHER JOHN I. SMITH: Most Worshipful Sir, Brethren of the Grand Lodge of North Carolina: It is a very great privilege and pleasure to me to attend this, your One Hundred and Sixty-fifth Annual Communication. I have looked forward for some years to a visit of this kind, but have been unable before now to get here. I have had a very pleasant association with your Most Worshipful Grand Master, and it is a distinct pleasure to be here and see him preside over this fine session.

I have been very much impressed with the fine report that he made to you last night, and with the many reports that I heard last night and today, and with the splendid work that the Grand Lodge of North Carolina is doing for those who are in need. I think we as Masons so often forget those that we most certainly should help, and I think it goes down through Lodge levels, it certainly does in my State.

I am delighted to hear of the splendid work that you are doing for the aged, for the infirm, for the orphans.

I bring to you, Most Worshipful Sir and Brethren, the fraternal greetings and all good wishes of the more than forty thousand Masons in your sister State to the South, and wish for you a most pleasant, harmonious and profitable Communication. We look forward next week to our 215th Annual Communication, and to having several of your Grand Lodge Officers visit us, and to them we will, of course, extend a most cordial welcome.

I appreciate very much the kindness, the gracious hospitality and the many courtesies you have extended to me here and they shall ever be in my memory.

M. W. BROTHER CHARLES M. LANKFORD, JR.

The M. W. Grand Master recognized M. W. Brother Charles M. Lankford, Jr., Grand Master of Masons in Virginia.

M. W. BROTHER CHARLES M. LANKFORD, JR.: Most Worshipful Grand Master, distinguished guests, and my Brethren: Most Worshipful Sir, I am not unmindful of the admonition you gave the Brethren a few moments ago that it was no place to do a lot of talking, with a lot of race horses straining at the barrier wanting to go ahead.

I have long looked forward to paying a visit to the Grand Lodge of North Carolina. Several years ago when I was nominated for Grand Junior Deacon, I thought that surely my ambition would be realized, and then two or three years ago it looked like I wasn't going to make it, and I became very apprehensive because it appeared that unless one was born in North Carolina or had some very close ties, that he could never hope to be elected Grand Master of Masons of the Commonwealth of Virginia. And so I pondered quite a bit and then I recognized that Most Worshipful Brother Smith came to North Carolina and married a North Carolina lady, and I could not qualify on that score. And even Most Worshipful Brother Flowers was born in North Carolina, as was Most Worshipful Brother Cooke, my immediate predecessor. And so the only way that I was able to get over the hurdle was the fact that I happen to be employed

by the Commonwealth of Virginia, and North Carolina sent a very fine and distinguished gentleman over there, who is now the Governor of Virginia, and so, Sir, I was able to qualify. And so I would like to say that this is the day I have long sought and more so because I planned it not.

I bring to you, Sir, the greetings of Most Worshipful Brother Rudolph R. Cooke, who was born in North Carolina, and who was very anxious to be with you, and who had planned to come, but he said he worked sixty-five hours a week—I did not know anybody worked sixty-five hours a week, or even a month, with the Government.

I appreciate very much, sir, and I wish to express to you my personal appreciation for your kind reference in your speech last night and your address on the George Washington Bi-Centennial celebration that we are having in Virginia this year. My Brethren, the Jewel that is worn by the Grand Master of Virginia was made in 1778, that same Jewel which was made for George Washington, who was initiated into the mysteries of Freemasonry in Fredericksburg Lodge on November 4, 1752; and this year, on the fourth of November, 1952, we will celebrate the initiation of George Washington into the mysteries of Freemasonry, and this Jewel has been worn by every Grand Master of Masons in Virginia since that time, having been made for Washington, who declined the honor on account of the fact that he was in the Army.

We are very much interested, my Brethren, in our George Washington Bi-Centennial. We hope that some three million Masons throughout the United States will on November 4 gather in meeting and pay tribute to that great Virginian, to that Great American, to one of the most illustrious Masons our country has ever known, George Washington.

Now, my Brethren, George Washington has left with you, and he has left with me, a heritage. Today we are being tested to see whether or not we are worthy. Virginia and North Carolina, the citizens of this old North

State, have in the past stood shoulder to shoulder and fought battles as it were, and today, my Brethren, Virginia extends to you a fraternal hand and solicits your cooperation and your support and we pledge you our troth that we will strive to be worthy of the heritage that is ours as Masons of North Carolina, and of Virginia, and of America. Thank you.

M. . W. . BROTHER DANIEL HOPE

The M. . W. . Grand Master recognized M. . W. . Brother Daniel Hope, Past Grand Master of Masons in Maryland, representative of the Most Worshipful Grand Master of Masons in Maryland.

M. . W. . BROTHER DANIEL HOPE, P.G.M.: Most Worshipful Grand Master, distinguished guests and my Brethren all of North Carolina: Needless to say, I am delighted to again have the opportunity of visiting with you. Three years ago at Raleigh I was with you at your Communication then, and I so enjoyed your hospitality and your warm friendship and your many courtesies that when my Grand Master mentioned sending me here on this occasion, I grabbed at the opportunity to come. I come, Most Worshipful Sir, bringing you the greetings of the Most Worshipful Grand Master of Maryland, as well as the best wishes and felicitations of our Brethren in that Grand Jurisdiction.

When one visits another Grand Lodge—I guess it is the case with all of us—we have a habit of comparing things that you have here with what we have at home. Looking through your books last night, I found two things that you have that we do not have. The first is that you have four Grand Chaplains. Someway or other we, my Brethren, up in Maryland, try to keep on the right track with one Grand Chaplain, working part time. I am wondering at you boys having four of them to keep you straight.

The other thing of interest to me is that you have a Grand Historian. We do not have one. After a hundred years of existence in the State of Maryland, they woke up to the fact that they had no history and they commissioned someone to write a history of the first hundred

years, which was from 1787 to 1887. Then, we went on without a history until just a year or two ago and we found another good Brother who wrote the history of the Grand Lodge of Masons of Maryland from 1888 through 1950. It is a most interesting edition, published in two volumes. I get a lot of information browsing through its pages, when I get the time to do so, reading there how Masons have acted and spoken back as far as '88, which, by the way, is the year that I was born. Then, I look back through the years and I remember back in those days—of course, I can't remember quite to '88 but close to it—down in the little town on the Eastern Shore of Maryland where I was born, well our homes were lighted with kerosene lamps. The first railroad in the community was started in 1888, came a great distance, served its purpose and has disappeared from the scene, making way for better, faster, more efficient methods of transportation. The telephone; I remember the first crude station that was installed in that town, it connected four places of business, and after some years of contemplation, I have come to the conclusion that it was not established for business purposes at all, for the four business men who put that line in were prominent members of the Masonic lodge in that town and I think that they put it there for Masonic purposes.

I did not see an automobile until I was fourteen or fifteen years of age. Now the roads are cluttered with them. The streets and roads in those days were made of mud, and covered with a coating of oyster shells. Now we have the hard surfaced roads, and just look at the great system of highways that run through our country.

I am stating all this, Brethren, just to bring to you this one thought: Reading back in that history of 1778-1888, the Masonry of those days is the same Masonry we have today; with all the changes in the ways of doing things and in the ways of thinking, Freemasonry is just the same, the same Masonry that George Washington knew in his days, and that the writers of the Constitution of the United States put in that Constitution to make us a free country and a free people.

Let us continue those old principles, those old trusts, those old ideas of the Fatherhood of God and the Brotherhood of man which Masonry has preached down through the ages.

REPORT OF THE JUDGE ADVOCATE

(Docket No. 24)

The following report of the Judge Advocate was read, entered on the record, and referred to the Committee on Masonic Jurisprudence:

To the Most Worshipful Grand Lodge of North Carolina:

Your Judge Advocate, whose term under the law expires at this meeting of the Grand Lodge, respectfully submits the following report:

Since the adoption of the present Trial Code, a total of forty-three (43) cases have been docketed in the office of the Grand Secretary, which have involved offenses running from profanity to murder. The Trial Commissioners usually have been prompt and thorough in their handling of these cases and they are to be commended for the efficient, though often unpleasant, services they have rendered.

There have been delays in the handling of some cases, both by the Judge Advocate and some Trial Commissions. However, I feel that this is largely due to lack of information on the part of the Judge Advocate as to proper persons to be appointed Trial Commissioners, and unfamiliarity with the Trial Code on the part of some Trial Commissioners. This fault I believe is being corrected and before long the data acquired in the Judge Advocate's office will insure prompt and speedy trials.

The Chairmen of some Trial Commissions have failed to schedule and proceed with their cases. I appreciate the sacrifice made by Trial Commissioners, and it is most unpleasant to remonstrate with a brother who is being called upon to render such a service, but the welfare of the Grand Lodge and the Craft in this jurisdiction should be the constant thought of each of us. Under the present law, after the Notice of Final Appointment of Trial Commissioners has been mailed to the commissioners and other parties, the Judge Advocate, from an administrative view, has no charge over the proceedings until he receives the decision of the Trial Commission. The Judge Advocate does not, and should not, have any power to dominate, or influence the Trial Commission in its management of a trial, but the welfare of the Grand Lodge demands that there should be a trial. I therefore suggest that the Trial Code be amended in order to give to the Judge Advocate the power to replace Trial Commissioners who fail or refuse to act.

The present method of trial was adopted by this Grand Lodge with the expressed hope that the subordinate lodge would be saved the embarrassment of trying and punishing its own members, and keep down the factional strife that oftentimes develops during such a trial. I believe that this hope has been justified, and each passing year will show an improvement in trial procedure and results.

Only one appeal has been made from any decision rendered by a Trial Commission, and I think this proclaims the fairness and respect for the decisions made, especially when an overwhelming number of these decisions have been verdicts of "guilty" and penalties imposed have been expulsion.

In conclusion, I recommend to the Craft that, when charges are to be preferred, Chapters 98 and 99 of the Trial Code and Trial Forms 1 and 2 be studied and complied with. Practically every lodge in this jurisdiction has a lawyer among its members and my experience has been that along Masonic lines they have, when called upon, been most gracious with their time, and most helpful with their advice. A properly drafted complaint is the first requisite of a speedy and efficient trial.

Respectfully submitted,

G. DUDLEY HUMPHREY, *Judge Advocate.*

REPORT OF
M. W. BROTHER CHARLES BAILEY NEWCOMB,
P. G. M.,

SPECIAL REPRESENTATIVE TO
THE UNITED GRAND LODGE OF ENGLAND

(Docket No. 25)

The following report of M. W. Brother Charles Bailey Newcomb, Past Grand Master, Past Grand Secretary, special representative of Grand Master Foy and the Grand Lodge of North Carolina, on the occasion of the Installation of the Right Honorable the Earl of Scarbrough, K. G., G. C. S. I., G. C. I. E., T. D., as Grand Master of the United Grand Lodge of England, was read, received and entered on the record. (For the transcript of the proceedings referred to in the ninth paragraph of the report following, SEE the APPENDIX to these Proceedings) :

To the Most Worshipful Grand Lodge of North Carolina :

Most Worshipful Grand Master, it is with much pleasure that I report to you and to the brethren of our Grand Jurisdiction that I have completed the mission entrusted to me by your appointment of August 6, 1951, wherein I was permitted the honor of representing you and our Grand Lodge at the installation of the Right

Honorable, the Earl of Scarbrough, K.G., G.C.S.I., G.C.I.E., T.D., as Grand Master of the United Grand Lodge of Antient Free and Accepted Masons of England, at an Especial Grand Lodge held on November 6, 1951 at Royal Albert Hall, London, England

We, that is Mrs. Newcomb and I, arrived in London on Friday afternoon, November 2; and on Saturday morning I went to Freemasons Hall, Great Queen Street, where I met the genial Grand Secretary of the United Grand Lodge of England, Right Worshipful Brother Sidney A. White, M.V.O., P.G.W. After paying my respects to him, I thoroughly enjoyed an informal conference of about half an hour, and then went to the magnificent library maintained by the Grand Lodge and met Brother J. Heron Lepper, the Grand Librarian; and he put me in charge of a brother who showed me the ancient documents I had so much desired to see; among these was the record of the actual date on which my lodge, St. John's No. 1, paid for its charter, June 27, 1754, though there is no record of the actual date that the charter was granted or issued by the Grand Lodge of England. I spent the greater part of Saturday in the psychological atmosphere of the beginning of our Freemasonry in North Carolina.

On Sunday we attended divine services at historic St. Paul's Cathedral; the sermon was delivered by Right Reverend F. A. Cockin, D.D., Bishop of Bristol.

At eight o'clock Monday evening I attended the magnificent dinner at the Dorchester Hotel given for the reception of guests, where I met sixty-five brethren; the incoming Grand Master, the Right Honorable the Earl of Scarbrough presided, and it was a very delightful affair in every way, notwithstanding the austerity program that prevails in all of England.

The great event took place on time; our English brethren are methodical and punctual. When they say the doors are to be closed at 3:30 P.M., they do not mean 3:35 P.M.; therefore, promptly at four o'clock, Thursday afternoon, November 6, 1951, as previously announced, the procession entered the hall where the ceremonies were to be held.

The Master of Ceremonies announced from a rear door of the hall the name, and the rank of each member of the deputation to be presented; then the deputation, composed of all members from that particular Grand Lodge, would proceed down the long aisle to the dais, and were received by another Master of Ceremonies by whom they were introduced to the presiding officer, who at the time was the Right Worshipful the Right Honorable the Earl of Derby, M.C. Deputy Grand Master. Each member of the deputation was received individually by the presiding officer and then conducted to a seat on the dais in the Grand East. After all of the deputations had been seated, the entire assembly of 7,573 Masons were called up to salute all of the deputations at one time.

The installation ceremonies then followed. They were the most dignified, solemn, and impressive that I have ever witnessed. It

seemed as if one could feel the sincerity with which the brethren engaged in this important business; not only the sincerity of the Most Worshipful Brother who took his vows to govern the Craft in that great jurisdiction, but of each brother present. There was no talking, not even a whisper; there was no smoking. Out there in front I could see the thousands of our brethren, dressed in their colorful Masonic regalia, a great congregation of Freemen, nearly eight thousand of them, coming from the four corners of the earth, to partake of this spiritual revival of Freemasonry, and to entrust to the hands of a beloved, experienced, and earnest brother the government of the Craft wherever on this planet the United Grand Lodge of Antient Free and Accepted Masons of England serves humanity.

Owing to the illness of our Most Worshipful Brother, His Majesty King George VI, who has since entered the perfect light, the Right Worshipful the Right Honorable the Earl of Derby, Deputy Grand Master, had been commanded to preside as Installing Officer, and this he did with dignity and affability. The ritual was not very long, but it was very impressive. Great applause greeted the inquiry as to the approval of the new Grand Master, and tears came to many eyes when the thunderous applause indicated the unanimous approval of their leader.

I attach to this report a transcript of the proceedings of this auspicious event which contains everything that was done that would be proper to be put in writing or in print; and I respectfully ask that it be included in the Appendix to the Annual Proceedings of this Communication as a part of this report, for in that transcript will be found the excellent addresses given by the visiting deputations and especially the one by Most Worshipful Rudolph R. Cook, Grand Master of Virginia, who had been selected to speak for the several deputations from the United States. None of the addresses exceeded five minutes. This transcript also contains the addresses of the Installing Officer and the Most Worshipful Grand Master.

Immediately following the installation ceremonies the visiting delegations were entertained at a banquet in the Connaught Rooms of Freemasons Hall; this was attended by sixty brethren. After the dinner there was a reception for the Grand Lodge Officers and other brethren. During this period I found opportunity to convey personally to the Most Worshipful Grand Master your personal greetings and best wishes for a successful and happy administration, as well as the fraternal greetings from our fifty thousand Masons of North Carolina, to which he responded by sending you and through you to our membership a message of good will and his grateful thanks for the expression of brotherhood evidenced by our representation at his installation.

Having accepted an invitation from Canada Lodge No. 3527 of London to attend its communication to be held at five o'clock in the afternoon of Wednesday, November 7, I was escorted to the hall of that lodge to take part in the reception of the Right Wor-

shipful Deputy Grand Master and the visiting deputations who had attended the installation ceremonies of the day before, and also to witness the Raising of a Fellow Craft. The work was perfectly done. The difference in our respective rituals was noticeable; however, the dignity, the reverential spirit, and almost religious solemnity was very, very striking when compared to the atmosphere in our lodges on such occasions.

At seven thirty o'clock, following the lodge meeting, we were royally entertained at dinner by our brethren of Canada Lodge. There was a very large attendance at this event, and it was animated by a fine spirit of fellowship. I was impressed with the brevity of the addresses; in every instance when we were at table, it seemed that the speaker knew what he intended to say, that he said it and then sat down; also, the program was not loaded with formal addresses; time out was given for a social chat with the fellow on each side of you and with the one across the table. This very friendly meeting came to an end about midnight. I do not want to make this report too long and tiresome, but ask that you indulge me in a few minutes more for remarks that are pertinent to this occasion.

The first Freemasons Hall on Great Queen Street, London was dedicated in 1776, an addition being dedicated in 1869; it was partially destroyed by fire in 1883, and was restored in 1884; later on, another addition was made, known as the Masonic Peace Memorial, the foundation stone of which was laid in 1927 with eight thousand Masons present. The building was completed in 1932; the celebration of its completion was held July 18 and 19, 1933 and our own beloved John Huske Anderson, then Grand Secretary, was our representative at the dedication. His report of that event is found on pages 38 through 41 of our Annual Proceedings for 1934. This magnificent structure contains seventeen lodge rooms in which more than four thousand Masonic meetings are held each year. There are approximately 1530 lodges in London.

On Wednesday morning, November 7 at eleven o'clock the visiting deputations, their wives, and daughters were invited to inspect that fine building, its museum, and its library. We were conducted on this delightful tour by the Right Worshipful Sidney A. White, Grand Secretary, who explained the various fixtures, furnishings, decorations, and pictures; among other things, he told us that in all of the history of that building, this was the third time that women had been admitted to the lodge rooms.

After the inspection we were entertained at a very delightful luncheon during which Mrs. Newcomb was seated between Right Worshipful Frank A. Lowe, Deputy Grand Master of Ireland, and Right Worshipful George R. Williams, Deputy Grand Master of St. John, Newfoundland. I noticed that Mrs. Newcomb and her new friends seemed to be having quite a gay time, but did not learn what caused the fun until later that evening when Brother Williams told this story: The waiter had repeatedly, but vainly, urged Mrs. Newcomb to have champagne. He seemed quite upset that he couldn't induce her into accepting at least one little glass, and even

more distressed when she insisted that all she wanted was a glass of water, water being a drink not usually found on European tables.

Finally Brother Lowe whispered, "But, my dear lady, you will have to have wine for the toast to the King."

To which flat statement she replied, "I shall drink water for the toast and feel just as respectful as if it were wine."

"Oh, but you couldn't do that," both men quickly assured her.

"Why? Is it illegal? Would it be an offense against social convention or custom?"

"No, but it would be the d— bravest thing I've ever seen done."

And to their amazement, she toasted the king, using water.

Let me be frank, there is no sense in believing that English food is uniformly or in general as good as American food. It is not. We may expect the worst under "austerity"; however, Mrs. Newcomb and I thoroughly enjoyed every meal we had in England and in Scotland. They were not elaborate, nor did we want them to be, but they were altogether satisfying; after all, we did not make this long trip just for food.

Britain is beautiful, generous, yes, ravishing, even though the food is only fair. There we were not pestered by beggars, nor were we made aware that our gratuities (called tips in our language) were inadequate or unsatisfactory. This was not so in some other places. We were received and accepted everywhere we went in Britain with genuine courtesy and friendliness, and with the full cooperation of every one who helped us on our way.

I should be permitted now to reminisce a little. Here we are on the "island fortress," which twice within my generation defied the wrath of the Hun to save the world; the island on which the ideal of human freedom and the responsibility of, and respect for, the individual grew to maturity; where liberty and justice were born; whence the American culture, language and civilization came, and where our beloved Freemasonry evolved. So, I thought of our debt to England, as I stood in Westminster Abbey, the most interesting and historic religious building in England, and architecturally one of the masterpieces of the Middle Ages, planned and reconstructed as a Royal Mausoleum by Henry III in memory of Edward the Confessor, who had erected the first building by that name about 1050 A.D. I heard Big Ben strike three and I was forcefully reminded of that night in August at 10:00 o'clock during the holocaust of World War II, when I was listening to the British Broadcasting Company over the radio, and heard that same chime strike three followed by the announcement across three thousand miles. . . "This is London calling. The Nazi bombers came over in wave after wave tonight. As I speak to you, the whole sky is bright with fire. But the people of London, steadfast in this hour of peril, defend their city with their lives . . ."

I could not, nor can you, fail to acknowledge the sacrifice for

humanity that was made by these courageous and indomitable people. Over six BILLION dollars in damage in *one night* of ruthless Nazi bombing; more than 65,000 lives sacrificed; many thousands more maimed for life or seriously injured. Yes, there are the pockmarks in the earth, deep and wide, made by Nazi bombs, where once were homes in which peaceful families lived; not just one of them, but square acres of such huge pock-marked areas.

In all of this we find the Mother Grand Lodge of Freemasonry virile, alert, courageous, and capable of Masonic leadership here as in every clime and among all peoples of this planet where its lodges are found. What an opportunity for continued service! May it be used for the glory of God and the advancement of mankind.

Most Worshipful Sir: I do not have words to express my gratitude to you adequately for your appointment of me to undertake this service. My good wife joins me in saying, "THANK YOU SINCERELY." This is simply expressed, I know, but it is genuine; and our gratitude is just as profound as if we were describing it in a thousand beautiful and eloquent words.

The mission has been accomplished, Sir.

REPORT OF THE COMMITTEE ON MASONIC EDUCATIONAL LOAN FUND

(Docket No. 26)

The following report of the Committee on Masonic Educational Loan Fund was read, received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

One year ago, your Committee on the Masonic Educational Loan Fund reported to you that it held U. S. Government bonds which cost \$90,062.00 but which had a cash surrender value of \$91,709.50 as of April 1951, plus uninvested cash of \$2,897.75, making assets with a total cash value of \$94,607.25.

As the Grand Chapter and the Grand Commandery had requested that their respective shares of the Fund be returned to them to apply on the cost of construction of the York Rite Memorial Chapel on the campus of the Oxford Orphanage, your Committee recommended:

First: That your Committee be instructed to liquidate a sufficient amount of its holdings in bonds to pay the Grand Chapter and Grand Commandery their respective shares of the cash value of the Fund's assets on the date of liquidation, the shares to be in the same ratio as that contributed to the original \$85,000.00 by each contributing body.

Second: That the Grand Chapter and Grand Commandery be requested to designate, at their Annual Assembly in May next, the date on which they desire that the cash value be calculated and liquidation made.

PROCEEDINGS OF THE

Third: That the Scottish Rite be requested to indicate to the Committee if and when it desires to have its share calculated and returned to it.

Fourth: That this Grand Lodge shall instruct its Committee what disposition to make of its share in the assets of the Fund.

These recommendations were approved by the Grand Lodge.

This Grand Lodge also instructed its Committee to calculate and return its share of the Fund's assets at the same time it calculated and returned the Grand Chapter and Grand Commandery shares.

The Grand Chapter and the Grand Commandery, at their Annual Assembly in May, 1951, requested that the liquidation be made as of May 15, 1951.

The Scottish Rite indicated to the Committee that it preferred to leave its share of the Fund in its present condition for the time being.

Complying with the instructions and requests of the several participating bodies, your Committee calculated the value of the assets of the Fund as of May 15, 1951, which resulted as follows:

Uninvested cash as reported April 17, 1951	\$ 2,897.75
Interest received on U. S. Gov. Bonds—5-1-'51	50.00
Total uninvested cash	\$ 2,947.75
Surrender value of U. S. Gov. Bonds—5-15-'51	91,753.00
Total cash value of assets, May 15, 1951	\$94,700.75

The respective shares of the four participating bodies were calculated using the ratio of their several contributions to the original \$85,000.00 as follows:

Participating Body	Original Contribution	Percentage Interest	Proportionate Share	Shares To Be Liquidated
Grand Lodge ----	\$24,500.00	28.82353	\$27,296.10	\$27,296.10
Grand Chapter --	26,000.00	30.58824	28,967.29	28,967.29
Gr. Commandery_	13,500.00	15.88235	15,040.71	15,040.71
Scottish Rite * --	21,000.00	24.70588	23,396.65	
Totals -----	\$85,000.00	100.00000	\$94,700.75	\$71,304.10

* Scottish Rite—Share Retained: \$23,396.65.

The Committee then instructed the North Carolina Masonic Foundation, Inc., to liquidate such portion of the bonds held by it for the account of the Masonic Educational Loan Fund as was necessary to provide the Committee with the \$68,356.35 additional cash required to pay the liquidating shares.

The attached table gives an array of: the maturity value of the bonds held; date purchased; surrender value rate; surrender value; surrender value of bonds liquidated; and surrender value of bonds retained.

REPORT OF COMMITTEE ON MASONIC CEREMONIES

(Docket No. 27)

The following report of the Special Committee on Printing Masonic Ceremonies was read, received, entered on the record, and referred to the Board of General Purposes as to the matter of providing for a mandatory Committee on Masonic Ceremonies:

To the Most Worshipful Grand Lodge of North Carolina:

At the Annual Communication of 1951 held in Chapel Hill, North Carolina, the Most Worshipful Grand Master was requested to appoint a committee which would be charged with the responsibility of editing and publishing all Masonic Ceremonies in one volume. This committee was subsequently appointed and in the discharge of its responsibilities it was compelled to meet quite a number of times. The task was not an easy one by any means.

First of all, it was agreed that the printing should be done on a temporary basis and that the ceremonies should be distributed among the brethren for their criticisms and corrections. It was the hope that after sufficient use of the ceremonies there would

be forthcoming a number of suggestions for their improvement. Then, when the committee should deem timely, the ceremonies could be published in a permanent binding.

All ceremonies, therefore, have been edited and published in a temporary binding of one volume. This volume has been prepared in such a manner that the leaves may be detached and used in a standard-size, loose-leaf notebook for the convenience of the brethren who are most frequently called upon to conduct these ceremonies and who prefer this manner of their use. These booklets have now been shipped to the Grand Secretary's office and are ready for distribution. The committee recommends that four copies be mailed to each lodge free of charge, the others to be made available to the brethren on a cost basis.

The committee is fully conscious of the fact that many errors and discrepancies have found their way into this publication. It could hardly have been avoided. Over a period of time, however, these errors can and will be eliminated if the brethren who use them will examine them closely and in a critical manner, forwarding their suggestions and criticisms to the committee to be incorporated in a later and permanent publication of the ceremonies. Such a procedure should enable the Grand Lodge of North Carolina to emerge at some later date with a volume of ceremonies in which it can take genuine pride.

To this end, this committee would like to request the appointment at once of a permanent Committee on Masonic Ceremonies who would be charged with the responsibility of examining continually all Masonic Ceremonies in the light of whatever criticisms and suggestions may be forwarded to them by the brethren and to incorporate such recommendations for improvement in a volume of ceremonies on a permanent basis at such time as the Committee shall deem advisable. It is believed that the appointment of such a Committee as this would enable the Grand Lodge to keep its ceremonies in a creditable and practicable condition.

REPORT OF THE CODE COMMISSION

(Docket No. 28)

The following report of the Code Commission was read and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

The Code Commission respectfully reports that the amend-

ments to the Code approved by the Grand Lodge, April 18, 1951, have been printed and distributed as follows:

3,000 copies were printed.

Free copies were mailed as follows: to each lodge two copies; one copy to each Grand Lodge line officer; each District Deputy Grand Master; each Past Grand Master, and to each Grand Secretary of the Grand Lodges in the United States.

The remaining copies were deposited with the Grand Secretary.

These amendments were mailed on August 28, 1951, and consisted of 38 pages of text and 28 pages of index, four pages of Appendix; making a total of 70 pages of corrected items. All of these were printed on pink paper to enable District Deputy Grand Masters, when inspecting the Code of various lodges, to determine at a glance, if the new and corrected pages had been inserted. With these pages we sent a cover letter consisting of three pages carrying the instructions and also a list of new annotations and correction of errors made in printing the original book.

No other matter has been referred to the Code Commission since our last report.

REPORT OF THE COMMITTEE ON BY-LAWS OF SUBORDINATE LODGES

(Docket No. 30)

The Committee on By-Laws of Subordinate Lodges presented the following report which was read, and upon motion, duly seconded, was adopted:

To the Most Worshipful Grand Lodge of North Carolina:

REPORT OF THE COMMITTEE ON MASONIC AND EASTERN STAR HOME, INC.

(Docket No. 32)

The following report of the Committee on the Masonic and Eastern Star Home, Inc., was read, received, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

Your Committee on Masonic and Eastern Star Home finds much to commend and little, if anything, to criticize in its report to you at this time and on this occasion.

The year just closing has witnessed the completion of the spacious new kitchen and the installation of new equipment for cooking and also the enlarging of the dining room by remodeling and adding to what were the quarters of the old kitchen. The dishwashing room has been remodeled and tiled in addition to the installation of over \$4,000.00 worth of the most modern equipment. Especially commendable is the fact that this was all done at a cost within the \$25,000.00 figure set by the Board of Directors.

The comparatively recent addition of the Latham Memorial Infirmary is proving its usefulness and desirability more and more as time goes on as reflected in the increasing number of patients cared for here. At present, there are 24 patients in the infirmary which constitutes an all-time high in its brief operating history.

Living conditions generally at the home are due special mention and praise for on these depend the welfare and happiness of the guests which, after all, should be and is one of the paramount concerns of this Grand Jurisdiction. The buildings and grounds are in good state of repair and are attractively kept. The food is wholesome, well-prepared, and abundant but not extravagant. The guest rooms are clean, comfortable, and attractive. The guests themselves appear to be happy and grateful as they approach their life's sunset. This fact alone should cause every Mason in this Grand Jurisdiction to be proud of his membership in the Fraternity.

Another noteworthy item is the fact that the contributions outside those of the Grand Lodge and chapter have been considerably in excess of any previous year. A total of \$28,828.78 has been received within this year now closing. This is in addition to any and all contributions to the new kitchen.

Your committee desires to record highest commendation to our Superintendent and his loyal staff of workers for the very efficient administration of the home generally. They deserve our appreciation and continued support in every way possible.

If the committee were permitted to make or solicited for a suggestion at this time, we would feel inclined to say that the next major responsibility, concern, and objective in connection with the Home is and should be to increase the quantity rather than the quality of our services here. At present, we have a waiting list of 16 applicants for admission, some over 80 years of age and all very eligible and worthy cases whose welfare and happiness cannot help but bear heavily on the mind and conscience of every true Mason of this Commonwealth. We hope that this Grand Body in its immediate future deliberations will give serious consideration to these 16 aged brothers and sisters as well as others who will undoubtedly be added in their quest for peace, contentment, and happiness during their remaining days here on earth.

EDGAR H. MCBANE, *Chairman*,

REPORT OF COMMITTEE ON NECROLOGY

(Docket No. 33)

The following report of the Committee on Necrology was read, received, and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

We pause again, Brethren, in grateful consideration of those of our number who have answered the irrevocable summons of the Supreme Grand Master. We rejoice anew in the blessed hope that for these our friends and brothers whom we have loved long since and lost a while this summons has been a welcome call from labor to refreshment that they might view the designs upon the trestleboard which even the best of men execute so imperfectly here complete in all their absolute symmetry and glorious beauty by Him in whom they put their trust as Entered Apprentices.

These men were not perfect men. They, of all men, would not want us to acclaim them as such. But they were men who walked in love.

They were men who helped to give a child a home. They were men who helped to make joyous the whisper of the aged and infirm. They were men who cast out the devils of human need in the name of the Master of men. They walked quietly, humbly, and unostentatiously before God and their fellowmen. They were tolerant and sympathetic men who were guided by the lights of faith and of hope.

It is not hard for us to believe that they are now a part of the life beyond because for them that eternal life for which our mortal spirits yearn had its beginning in the lodge below as they walked the checkered pavement of their mortal years. These men

like ourselves and all who have knelt at Masonry's altar could say with the old astronomer,

*"Though my soul may set in darkness,
It will rise in perfect light,
I have loved the stars too fondly
To be fearful of the night."*

Many of us have very recently been inspired by the message of the Risen Christ and to us this message is vital and personal. On the eve of his death this itinerant Rabbi of despised Galilee surrounded by a group of his intimates celebrated the feast of the Paschal Lamb and the Unleavened bread in a room overlooking the Mount of Olives. In the quiet solemnity of that upper room that man who was weighted down with the heaviness of an irrevocable mission made several simple statements which carried with them the impressiveness of the last words of a man about to die. Accosted by the age old ruffians which have continued to kill the bodies of men this Nazarene talked about a House of many Mansions.

There is a place, we sincerely believe, in the "Many Mansions" of the other side for men like our brethren whom we pause to remember.

*"Ye who fear death, remember April,
With swords of jade on a thousand hills
And the warm south wind that whispers
Of cornel and of purple squills.*

*"Ye who fear death, remember April,
With moon-white trees, the new turned sod,
And the bare brown branch that quickens
Like a sudden thought of God.*

*"Ye who fear death, remember April,
Earth holds the seed until that hour
Of miracle when out of clay
Comes forth at last the flame-like flower!"*

THE GRAND LODGE VOTES TO HOLD 1953 ANNUAL COMMUNICATION IN CHARLOTTE

W. Brother Joel J. Faulk, District Deputy Grand Master, was recognized by the M. W. Grand Master, and W. Brother Faulk extended an invitation to the Grand Lodge to hold its 1953 Annual Communication in Charlotte. A motion was duly made, seconded and carried unanimously that the 1953 Annual Communication of the Grand Lodge be held in Charlotte.

REPORT OF THE GRAND LECTURER

(Docket No. 34)

The Grand Lecturer presented the following report, which was read, entered on the record, and referred to the Board of Custodians:

To the Most Worshipful Grand Lodge of North Carolina:

During the past year it has been my pleasure to work with as fine a group of brethren as North Carolina affords. I am deeply indebted to all Grand Officers, Board of Custodians, District Deputy Grand Masters, and District Deputy Grand Lecturers for all courtesies, co-operation and encouragement that they have given me.

From April 1, 1951, through March 31, 1952, seventy-two Schools of Instruction were held in twenty-eight of the forty-three Masonic Districts. The number of Schools is enheartening, but the fact that fifteen Districts had no Schools is not good. I hope that next year more Schools will be held and that every District will avail itself of the inspiration and information gained in a properly-conducted School of Instruction. To this end I am distributing at this Grand Lodge Communication copies of the schedule of work for a School of Instruction as authorized and required by the Board of Custodians. In an early issue of the Orphans' Friend this schedule will be published, together with some suggestions about how to develop the participation in a School. The report of the Board of Custodians will carry a report of the Schools held last year and the Districts participating.

I shall not burden this Report by giving statistics on the Lecture Service rendered the Lodges as these will appear in the report of the Board of Custodians. However, in spite of the improved quality of the Lecture Service there are eighty-four Lodges which have not had the Lecture Service in more than two years. It is expected that this condition will be very greatly improved next year.

Data on the Certified Lecturers and Certified Instructors will be given elsewhere in the Proceedings. I am glad to note that there is a greater interest in taking these examinations, and it is hoped that the number of Certified Lecturers and Instructors will include brethren from every District in North Carolina before the next Grand Lodge Communication.

Respectively submitted,

ARNOLD W. KINCAID, P.M., C.L., *Grand Lecturer*

REPORT OF THE COMMITTEE ON OXFORD
ORPHANAGE, INC.

(Docket No. 35)

The following report of the Committee on Oxford

Orphanage was read, entered on the record, and referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

Your Committee on Oxford Orphanage has visited your outstanding institution individually and as a body during the year. The visits of some of the committee members have been repeated and fairly frequent, and in many cases unannounced. We have been impressed each time by the complete cooperation and eagerness of the entire staff at the Orphanage to discharge their duties in the most effective manner. We have no doubt that this situation is a reflection of the example of Rev. Brother A. DeLeon Gray, Superintendent, who seems to have inspired everyone by his own tireless efforts.

The principal plant is in excellent shape, the buildings are being kept in good condition, and spotlessly clean. Many items of new equipment have been added, and while we understand others are needed we are confident they will be provided at the proper time.

Two new buildings have been completed during the year. The Masters Cottage has been placed into service and has relieved a congested condition in housing some of the smaller boys. It is a well constructed building and affords a comfortable home for its boys. The York Rite Memorial Chapel, representing the culmination of the hopes and plans of many has been completed, and will be consecrated in the month of May 1952. This beautiful edifice is a very versatile building. It not only provides a proper and dignified place in which to Worship our Supreme Grand Master, it also affords music rooms for the children, and an auditorium with a full size stage for amateur theatricals and other gatherings such as parties, etc., which are always dear to the hearts of children.

We understand several items of equipment are still needed for the Chapel. It has been suggested that they could be donated as memorials by individuals or Masonic groups. We are confident the Brethren of the State will quickly respond with the necessary furnishings. The personnel of the Orphanage feels this building will fill a long-felt need.

Your committee wishes to particularly compliment the dairy department on their fine herd of cattle, and the efficient way the department is operated. We should like to especially mention Brother Adam A. Husman to whose untiring efforts the assembling of this herd is due, and for the assistance he has rendered the staff in building the herd into constantly better production. We also note each department of the Orphanage is continuing to operate with harmony and efficiency. The head of each is deserving of our warmest commendation for his efforts.

We understand there has been some discussion regarding the need for a gymnasium at the Orphanage. Unquestionably this

would greatly benefit and aid the athletic program of the institution, and might well be considered in the long-range planning of its requirements.

The committee feels the Grand Lodge is most fortunate in having such an efficient staff to operate the Orphanage, and with the continued wise and foresighted guidance and supervision of the Board of Directors, we feel the high purpose of your institution will be accomplished.

HAYWOOD C. PORTER, *Chairman*

M. W. BROTHER R. V. HOPE, P. G. M.

The M. W. Grand Master recognized M. W. Brother R. V. Hope, Past Grand Master of Masons in Tennessee.

M. W. BROTHER R. V. HOPE, P. G. M.: Most Worshipful Sir, Distinguished Visitors and Brethren: I think, Sir, that I should report this morning at the start that the Grand Lodge of Tennessee is the only child that this Grand Lodge of North Carolina has; you may have some grandchildren. For years, we have walked hand in hand together. Looking back to some remarks that were made last evening: Down at Franklin, Tennessee, which is a suburban section of Nashville—lacking fifteen miles—is one of the Lodges which helped to form the Grand Lodge of the State of Tennessee, originally chartered by this Grand Lodge, and it has continuously worked from the day that you started the Lodge. There may be others in the State, perhaps seven or eight of them, but I remember particularly that that one Lodge has continued from the day that it was chartered under the present work and is now working—one of the great Lodges of the State.

During these years, of course, we have grown, as you know, to a membership of more than seventy thousand, about 72,000, and we are continuing to grow from year to year.

I am very happy indeed to be here. I know that you

are busy, I know that you have much to do before adjourning or closing this Grand Lodge, and yet at the same time, I am very happy to have the privilege of bringing to you the felicitations of my own Grand Master and my own Grand Lodge, and every good wish for the continued success of this Grand Lodge. Thank you, Sir.

M. W. BROTHER HARRY O. SCHROEDER, P. G. M.

The M. W. Grand Master recognized M. W. Brother Harry O. Schroeder, Past Grand Master of Masons in Maryland.

M. W. BROTHER HARRY O. SCHROEDER, P. G. M.: Most Worshipful Grand Master, and other Guests and Brethren of North Carolina: I stand before you here this morning with a feeling of humility. I was not born in North Carolina, my wife came from Pennsylvania, I do not work with a former North Carolinian, and I only missed being a "Damyankee" by twenty-two miles. I was born in a little town twenty-two miles from the Mason and Dixon Line. By the way, it is a hot town, too. Believe it or not, we have more people buried in our town than are living in it now.

I heard a story the other week about a young man who one Friday afternoon in January, accompanied by a ravishingly beautiful young blonde, walked into a furrier's shop on Fifth Avenue and asked to be shown some mink coats (this was a New York City coat, not the Washington kind). The proprietor brought out some of the best that he had, and the young lady tried them on, and as usual raved over them, and finally selected one. The young man insisted on having some alterations made, and then wrote out his check for ten thousand dollars, and said that he would pick up the coat early Monday morning. As soon as he left the store the proprietor called up the bank and learned that the check was no good; in fact, he had no account under that name. Bright and early Monday morning the young man entered the shop and the proprietor hit the ceiling, called him every name in the book, and said to him, "I don't understand

why you came back this morning?" "Well," he said, "I just came back to thank you for a wonderful week-end."

Most Worshipful Grand Master, we do not expect to spend a week-end with you, but I do want to thank you for the two wonderful years that you have given me the privilege of visiting this Grand Lodge and renewing acquaintances, and, I hope, making some new ones.

M. . W. . BROTHER ENOCH D. FLOWERS, P.G.M.

The M. . W. . Grand Master recognized M. . W. . Brother Enoch D. Flowers, Past Grand Master of Masons in Virginia.

BROTHER ENOCH D. FLOWERS, P.G.M.: Most Worshipful Grand Master, Distinguished Guests, Brethren of the Grand Lodge of North Carolina: There have been references to those who were not born in North Carolina. I was born in North Carolina, as I have told you before. I am glad to be here. I think this is my third visit. You have as grand a bunch of Masons as we find in all the world. It is a great pleasure to be here and to meet these grand men. I appreciate your invitation very much.

M. . W. . BROTHER A. DOUGLAS SMITH, JR., P.G.M.

The M. . W. . Grand Master recognized M. . W. . Brother A. Douglas Smith, Jr., Past Grand Master of Masons in Virginia.

M. . W. . BROTHER A. DOUGLAS SMITH, JR., P.G.M.: Most Worshipful Grand Master, visiting firemen, and Brethren: At this moment, I am reminded of a situation in which one of my Jewish friends found himself on one occasion when he was called upon to say a word, and as he started up to the platform one of his friends said. . . .

(NOTE: We regret that our stenographer's notes are not legible at this point. W.L.M.).

I think that I was elected Junior Deacon of the Grand Lodge of Virginia before I knew and learned the ropes. There was Frank Hart of South Carolina, and Brother Anderson of North Carolina, your Past Grand Secre-

tary—and I am sincere about that, he was a very fine person; and I have had such lovely contacts in my little trips that I have made in Masonry. I had supposed that Hubert Poteat was one of the higher Gods that you have developed and I told him last night that I got out one of his publications—I will not say which one because it might expose him—and I read it very closely, and I think that it is one of the finest pieces of Masonic literature I have found.

And I have also listened to some of the suggestions of Wallace Caldwell, and I have tried some of the suggestions of Bill Bundy, with indifferent success. And I have followed the voice of that great Dr. Hoffman, and addresses of the sort prepared by Luther Hartsell. They had something that would make my heart good and it did, so often, some very fine talks by some of those outstanding Brothers.

I am really rambling around with all these fine orators, but I really want to be serious for a minute and a half or two minutes and say that I have not only learned a lot from your Masonic great in North Carolina, but I am very proud of the fact that my good father, when he was raised more than fifty years ago in his lodge—two Masons from Atlantic Lodge No. 294, he said that he had had some of the finest experiences in Masonry amongst those brethren. Fairfield Lodge and Atlantic Lodge—I have learned from them much. I shall never forget an instance out of my experience with the Masons of North Carolina, that will leave me with the final thought that I want to give you, and that is that this Atlantic Lodge No. 294—they meet above a grocery store over there, and the boys get together once in a while and they have a fish fry. Several years ago I was quite ill in the hospital and one day I saw there a box of flowers and in it a “get well” card from Atlantic Lodge No. 294, and Brethren, I never had anything to touch my heart so deeply, because I knew those boys down there had had to go to an awful lot of effort to do that.

And then again during the same experience I had a letter, which I still cherish as one of the finest letters

I have ever received. Salem Lodge, at Winston-Salem—one of their Past Masters was on the same floor with me—and the Welfare Committee was very faithful; and so Brother Newman, who was an old friend of mine, a grand boy; and I got such a lovely letter from that Committee that I came to the conclusion that in North Carolina you have got a good brand of Masonry.

And sometimes I think, Brethren, we spend too much time worrying about where we are going, to what place, and we get so confounded about our organization and we get so upset about ethics and about other things that we lose sight of the fact that essentially—as I think Dr. Poteat so beautifully put it last night—that essentially, we are a Fraternity, and we are a brotherhood where love is really an issue and we need to hold that fraternal love of Masonry in North Carolina during these dark hours. I have seen evidence of that fraternal love and I shall never forget it.

Let us not lose sight of the fact that we may be master builders, with a great ritual and beautiful addresses, but if we lose the friendly touch, if we have lost the sense of fraternity, then we might just as well go out of business.

There was a little boy in an orphans' home, and from time to time the folks would come out there for adoptions, and time after time he was left alone. And finally on one occasion a very wealthy woman came up, and she was rather pompous and bejewelled, and had one of those mink coats that friend Harry Schroeder talked about today, and she had a beautiful car. And when she saw this friendly face of this boy she said, "That is the kid that I want to take." And the little kid made no motion at all, didn't seem to change at all. She said, "Son, I want you to go with me, I am going to give you everything your heart can desire—education, wonderful home, bicycles, ponies." But the little kid did not change his expression. "Well," she said, "What else is there after all?" And he said, "The only thing that I really want, Lady, is love," And I think today that that is what the world wants, a little more of love, and a little less or-

ganization, and a little less debating, and perhaps a little less financing, just a little more love. And that would be the thought that I would leave with you. And as I have said, I found a fine grade of personal love amongst those boys down in Hyde County, and I have found it in the Welfare Committee in Salem Lodge of Winston-Salem. And I want to thank you, Most Worshipful, for that expression of fraternal love that you have shown to Mrs. Smith and me in permitting us to share with you this gracious occasion.

PRESENTATION OF YORK RITE MEMORIAL CHAPEL AT OXFORD ORPHANAGE TO THE GRAND LODGE

The M. W. Grand Master recognized W. Brother Charles H. Pugh, Senior Grand Deacon, Chairman of both the General Committee and the Building Committee for the Grand York Rite Bodies in planning for and

constructing the YORK RITE MEMORIAL CHAPEL at Oxford Orphanage.

W. BROTHER CHARLES H. PUGH, *Senior Grand Deacon*: One of the outstanding objectives of the Masons of North Carolina is their interest in and support of the Oxford Orphanage and the Masonic and Eastern Star Home. A few years ago a few interested Masons conceived the idea of erecting a Chapel on the Campus of the Oxford Orphanage where the children would have adequate facilities for training in religious education.

At a meeting of the Grand York Rite Bodies held in Charlotte, North Carolina, in 1946, a resolution was adopted to request the Grand Lodge of North Carolina to permit them to erect on the Campus of the Oxford Orphanage a *York Rite Memorial Chapel*.

On November 7th, 1946, Brother Luther T. Hartsell, Jr., at that time Junior Grand Warden of the Grand Lodge, speaking for the Committee which had been appointed said (Pages 109 and 110 of the Proceedings of the Grand Lodge of North Carolina for 1945):

Most Worshipful Grand Master and Brethren, I bring before this Grand Lodge a matter for its consideration. Last month, in the City of Charlotte, the Grand Chapter of Royal Arch Masons, the Grand Council of Royal and Select Masters, and the Grand Commandery of Knights Templar held their annual meetings.

I believe, that the thing which is nearest the heart of every Mason in North Carolina is the function of this Grand Lodge in caring for approximately 300 children at its Orphanage at Oxford. For almost three-quarters of a century, now, this Grand Lodge has conducted that institution and has graduated therefrom a tremendous number of fine young women and young men, who are citizens of this State and of other neighboring States. Through all that period of time, we have provided for those young people full and adequate accommodations, so far as residence is concerned; full and adequate accommodations, so far as educational instruction is concerned; and ample and adequate accommodations, so far as physical education is concerned. But during that long span of time, for some unknown reason, the Masons of North Carolina have overlooked the very thing upon which Freemasonry is erected, and that is the spiritual life of those boys and those girls that are our charges, so to speak, in the Oxford Orphanage.

At the meeting of the Grand York Rite Bodies, to which I referred a moment ago, resolutions were adopted by all three Bodies to request this Grand Lodge to permit them to erect on the campus at Oxford Orphanage a *YORK RITE MEMORIAL CHAPEL* for the purpose of supplying to those boys and girls a necessary place in which to educate them spiritually. This matter was taken up with your Superintendent, Brother Creasy K. Proctor, and sketches of a possible chapel were procured; and in the event that the Grand Lodge of North Carolina sees fit to accept this gift, it

is the plan of those Grand York Rite Bodies to erect a suitable building, seating something over 400, with adequate Sunday School rooms and with adequate facilities thoroughly to carry on the spiritual and the religious training that those boys and girls ought to have.

Most Worshipful Sir and Brethren, I have been commissioned by the three Grand York Rite Bodies of North Carolina to ask the permission of this Grand Lodge for those Bodies to make such gift to Oxford Orphanage. This matter was brought before the Board of Directors of that institution, yesterday, at their meeting. The Directors passed a resolution expressing a desire on their part to accept the gift, subject to the action of this Grand Lodge.

As it is the purpose of those Grand York Rite Bodies to give the proposed chapel to the institution, I move,

"That the Grand Lodge of North Carolina accept from the Grand York Rite Masonic Bodies, which I have named, a YORK RITE MEMORIAL CHAPEL, to be erected on the campus of Oxford Orphanage, at a location to be selected by the Directors of that institution; the said gift to be made without reservation, without condition, without restriction, and without any strings tied to it in any way, an adequate chapel for religious education of the boys and girls who are our charges."

The motion was unanimously adopted.

The raising of funds for this purpose was delayed for some-time due to circumstances beyond our control, but at long last the Chapel has been finished.

In a few more months it will be completely furnished and thoroughly equipped for the use of the boys and girls at our Orphanage. It is our present intention to consecrate it the first week of May, and as soon as it is completely furnished, it will be dedicated.

As Chairman of the General Committee, and also of the Building Committee, at the request of the Grand York Rite Bodies, and representing the many Masonic friends and supporters of the Institution, who made liberal contributions, I have the high honor and great privilege to present to the Grand Lodge of North Carolina the YORK RITE MEMORIAL CHAPEL, which has been erected on the Campus of the Oxford Orphanage. This gift is made without reservation, without condition, without restriction, without any strings tied to it in any way, with no indebtedness, an adequate Chapel for the religious education of the boys and girls of our institution.

APPLAUSE!

ACCEPTANCE OF YORK RITE MEMORIAL CHAPEL

THE M. W. GRAND MASTER: Brother Pugh, Brother Caldwell, and Brother Bulluck, representatives of the York Rite Bodies of North Carolina, and my beloved Brethren of Symbolic Mason-

ry: All down through the years we have contributed and arranged for the care of those children at the Oxford Orphanage, with reference to their physical needs, with reference to their educational needs, and with reference to their recreational needs to some extent, but never since that Orphanage was founded have there been facilities for their religious needs, the things that Brother "Doug" just spoke of, the better things of life. And now through the generosity of these York Rite Masons of North Carolina we have at Oxford a beautiful Chapel. And I believe that I speak for all of you when I say to these representatives of the York Rite Bodies and to the York Rite Masons of North Carolina that the Grand Lodge of Symbolic Masonry of North Carolina is deeply grateful for this fine contribution to the Oxford Orphanage, and I would like to see you rise as one man and express your appreciation to these fine men for their fine gift which they have made. (NOTE: The Brethren STOOD, and there was much APPLAUSE!! W.L.M.).

Thank you, Brethren. I am sure that those of you who have not seen the Chapel will derive much pleasure from going there and looking over that beautiful building, placed there for the religious needs of your children at the Orphanage.

CALLED FROM LABOR TO REFRESHMENT

The minutes were read and approved. Prayer was offered by W. and Reverend Brother Joseph H. Carter, Grand Chaplain, and the Grand Lodge was called from Labor to Refreshment until 7:30 o'clock this (Wednesday) Evening.

PROCEEDINGS OF THE
SECOND DAY—NIGHT SESSION

The Grand Lodge was called from Refreshment to Labor by the Grand Master at 7:30 o'clock on Wednesday evening, April 16, 1952. Prayer was offered by W. and Reverend Brother Joseph H. Carter, Grand Chaplain. The minutes of the previous session were read for information.

REPORT OF THE BOARD OF CUSTODIANS

(Docket No. 36)

The following report of the Board of Custodians was read. W. G. Dudley Humphrey, P.M., C.L., Judge Advocate, made the following motion which was adopted:

"That the report of the Board of Custodians be received and entered on the record and that the resolutions and recommendations proposed in that report each be adopted."

To the Most Worshipful Grand Lodge of North Carolina:

MEETINGS

I. The Board held four meetings since the last Annual Communication of the Grand Lodge.

On June 8, 1951, a meeting was held in the Lodge Room of the Masonic Temple at Charlotte. All members of the Board were present except W. Craven E. Harrington, P.M., C.L. R. W. William H. White, Deputy Grand Master, was present at this meeting. The Board organized as required under Regulation 35-02. M. W. James E. Shipman, P.G.M., was re-elected Chairman; M. W. Charles B. Newcomb, P.G.M., P.G.S., was re-elected Secretary.

No change has been made in the present allowance for Lecture Service to lodges or in the rules governing the same. These rules may be found on pages 497 through 499 of the Appendix of the Code. We recommend that these rules be printed also in the Appendix to the Proceedings of this annual communication.

No change has been made in the duties prescribed for a District Deputy Grand Lecturer as found on page 159 of the Proceedings of 1950. During the year 1950 some confusion arose as to overlapping responsibility between the District Deputy Grand Masters and the District Deputy Grand Lecturers and as a result of this confusion, the Grand Lecturer was authorized to prescribe such procedure as to him seemed best to eliminate the cause for the confusion. We believe that this matter has been successfully handled; that all concerned now understand what they are expected to do and not to do.

The Grand Master did not recommend any changes in the program relating to the Grand Master's Award.

The Grand Lecturer nominated the following named brethren as District Deputy Grand Lecturers and they were approved by the Board as provided in Reg. 35-08(2).

† Past Master.

The Board decided to print 5000 copies of the Official Standard of the Work.

The Grand Lecturer was requested to continue to promote schools of instruction on as large a program as possible and also to have the lodges obtain lecture service if they have not been lectured within two years.

The Board approved the printing of 2000 copies of an address by M.'W.'Wallace E. Caldwell, P.G.M., for distribution among our lodges as part of our educational program. This was done.

Our Grand Secretary and W.' Craven E. Harrington, P.M., C.L., were requested to print as many Bahnson Manuals as they may consider necessary to supply the demand for the next two years.

II. On September 14, 1951, a special meeting of the Board was held in Wilmington. All members were present except M.'W.'. Herbert M. Foy, Grand Master, and William H. Hardy, P.M., C.L. W.'C. Wallace Jackson and W.' Vivian Hollinshed, Master of Phoenix Lodge No. 8, Fayetteville, appeared before the Board to

discuss the proposed revision of the second Section of the Third Degree which was mentioned in our report last year under the title, "Resolution of Phoenix Lodge No. 8."

After a thorough discussion, the Board again disapproved the proposal of the brethren of Phoenix Lodge No. 8. The Board has been advised by this lodge that it will take no appeal from the decision of the Board and will make no further effort to support its resolution; therefore we consider this subject closed.

The Grand Lecturer reported that schools of instruction are increasing in number and interest.

At this meeting, the Board considered the program for proficiency examination at this Grand Lodge; also the program for exemplification of the Third Degree.

III. On January 12, 1952, a special meeting of the Board was held in the Elizabeth Room, Sir Walter Hotel, Raleigh. All members of the Board were present, except W. Arnold W. Kincaid, P.M., C.L., Grand Lecturer, and W. William H. Hardy, P.M., C.L. We had the pleasure of the presence of M. W. Wallace E. Caldwell, P.G.M., for part of the time.

The Board received and considered an interim report from the Grand Lecturer.

The Secretary reported that the contract had been let for reprinting the Official Standard of the Work and that several applications were in hand for proficiency examination.

A proposal to extend the time for official instruction of lodges under paragraph 5b of the rules for governing the Lecture Service to one year instead of thirty days as now expressed in that paragraph was unanimously disapproved by the Board.

IV. The Board held a meeting Monday, April 14, 1952, and also on each day of this annual communication. All members were present.

PROFICIENCY EXAMINATION

An examination for proficiency in the Ritualistic Work was held April 14, 1952, in the Masonic Temple, Greensboro, at which time 46 were examined; 46 passed; all of which were Certified Lecturers, Class A: 15 were re-examined; 30 were new candidates, and one raised his certificate from Class B to Class A.

We lost one Certified Lecturer by non-affiliation and two died since our last report.

Our present roster of Certified Lecturers and Certified Instructors is as follows:

CLASS	NUMBER April 14, 1952	SAME ON April 16, 1951	CHANGE
A	261	236	25 GAIN
B	5	6	1 LOSS
	<hr/> 266	<hr/> 242	<hr/> 24 GAIN

A complete roster of each Class and other data will be found in the Appendix to these Proceedings.

CERTIFICATES EXPIRE

We regret to report that the following named brethren have not renewed their certificates of proficiency. It is necessary to drop their names from the Rosters of Certified brethren. We hope that each one of these brethren will renew his certificate as soon as possible.

NAME	CLASS	CERTIFICATE EXPIRED
Biver Ernest Grant	A	April 15, 1952
Hamil Newby Swift	A	April 14, 1952
George Bennett Wynne	A	April 15, 1952

SCHOOLS OF INSTRUCTION IN THE RITUALISTIC WORK

Seventy-two schools of instruction have been held in twenty-eight of the forty-three Masonic districts, during the period April 1, 1951 to March 31, 1952, as follows:

District No.	No. Schools	District No.	No. Schools
2	1	26	1
5	2	27	1
6	2	28	1
7	1	29	9
10	6	30	2
11	1	31	3
13	7	33	2
14	1	34	1
16	8	36	6
17	4	37	1
18	1	38	1
19	1	39	1
20	1	42	1
25	3	44	3

The following districts reported that no schools of instruction had been held during said period: Nos. 1, 3, 4, 4-A, 8, 9, 12, 15, 21, 22, 23, 24, 40, 41, and 43.

The District Deputy Grand Masters and District Deputy Grand Lecturers have worked together most effectively in holding the schools of instruction, and we may reasonably expect an increase in the number of such meetings this year.

MASONIC EDUCATION

The reports received by us indicate that the Lodge System of Masonic Education is receiving more attention by our lodges. A larger number of them are now using that program.

We called this subject to your attention in our report of 1951, and we again repeat and emphasize what we reported at that time. See page 165 of the Annual Proceedings of 1951 for the report.

PROCEEDINGS OF THE

For the purpose of carrying out our previous recommendation, we present the following resolution and recommend that it be adopted:

***BE IT RESOLVED:** That the Lodge System of Masonic Education approved by the Grand Lodge in 1935 (Pro. 1935, Pages 32 and 86) and again in 1949 (Pro. 1949, Page 197), be continued and that each lodge be requested to put that plan in operation promptly.

***This resolution was adopted.**

We do not recommend that this program be made mandatory at this time. We hope that our lodges will see the value of it and put it in operation without making it mandatory.

LODGES LECTURED IN 1951

The record furnished by our Grand Secretary indicates that 114 lodges were lectured for which the Grand Lodge allowed compensation. Three lodges were lectured for which the Grand Lodge did not allow compensation, making a total of 117 lodges actually lectured. Five lodges were excused during 1951 making a total of 112 cleared during 1951 as being satisfactory in their Ritualistic Work. We report that 60 Certified Lecturers took part in lecturing lodges during 1951.

MISCELLANEOUS

No lodge applied for permission to use robes in conferring degrees since our last report in 1951.

The applications from the following lodges to be excused from Lecture Service as required in Regulation 35-09 having been properly investigated, were each approved:

Henderson-----	No. 229	Expires July 17, 1952.
Corinthian-----	No. 230	Expires July 12, 1952.
Orient -----	No. 395	Expires October 4, 1952.
Acacia-----	No. 674	Expires January 30, 1953.

(All applications filed before February 15, 1952 are included in the above tabulation.)

SAM N. BOYCE

We sincerely regret to learn of the serious illness of our beloved Brother Sam N. Boyce, who faithfully served our Grand Lodge as a member of this Board from 1905 through 1941. We earnestly wish for his early recovery.

It is with profound sorrow that we record here the death of two of our most efficient and interested Certified Lecturers. Each of them gave freely of his time, and with genuine interest worked for the promotion of the Lecture Service. We shall miss their friendly counsel and unselfish service:

JOHN EARL OAKES, C.L., died January 3, 1952.

VON AUTRY, Sr., C.L., died June 20, 1951.

COMPENSATION FOR LECTURE SERVICE

We recommend the adoption of the following resolution authorizing the reimbursement to the subordinate lodges for compensation for Lecture Service paid out by them:

*"BE IT RESOLVED, That the Grand Lodge continue to reimburse subordinate lodges for the compensation for lecture service paid out by them, (but not including the expenses of the lecturers) on such basis of compensation as may be determined by the Board of Custodians under the provisions of Regulation 35-08 (3a,b)." 20-05(5).

*This resolution was adopted.

NOMINATION OF GRAND LECTURER

As provided in Regulations 20-05(2) and 35-06(1), the Board unanimously nominated Brother Arnold Wesley Kincaid, P.M., C.L., for Grand Lecturer, and this nomination was laid before the Grand Master for his consideration.

Respectfully submitted,

REPORT OF COMMITTEE ON APPEALS

(Docket No. 40)

The Committee on Appeals presented the following report, which was read, and upon motion, duly seconded, was unanimously adopted:

To the Most Worshipful Grand Lodge of North Carolina:

The Committee on Appeals respectfully submits the following report:

1. We have reviewed the record in all completed cases now before the Committee, in all of which the punishment imposed was expulsion, and in none of which the accused appealed from the decision of the Trial Commission. We particularly directed our attention to the validity of the appointment of Trial Commissioners, the service of notice upon the accused, the competency and weight of the evidence presented at the trial, and the decision of the Commission, all in accordance with the Regulations of this Grand Lodge as contained in Chapters 98 to 106, inclusive, of THE CODE of 1948. Your Committee approves the decision of the Trial Commission in each of the following cases, and recommends that the judgment of the Trial Commission in each case be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 15A: In the matter of charges preferred against a Master Mason of Bald Creek Lodge No. 397, A.F.&A.M.

Expelled February 22, 1950.

TRIAL DOCKET NO. 17: In the matter of charges preferred against a Master Mason of Joppa Lodge No. 530, A.F.&A.M.

Expelled August 14, 1951.

TRIAL DOCKET NO. 22: In the matter of charges preferred against a Master Mason of Lillington Lodge No. 302, A.F.&A.M.

Expelled February 13, 1952.

TRIAL DOCKET NO. 24: In the matter of charges preferred against a Master Mason of Bula Lodge No. 409, A.F.&A.M.

Expelled January 7, 1952.

TRIAL DOCKET NO. 26: In the matter of charges preferred against a Master Mason of Hibriten Lodge No. 262, A.F.&A.M.

Expelled February 12, 1952.

TRIAL DOCKET NO. 27: In the matter of charges preferred against a Master Mason of Black Mountain Lodge No. 663, A.F.&A.M.

Expelled September 15, 1951.

2. Your Committee has received the record in TRIAL DOCKET NO. 34: In the matter of charges preferred against a Master

Mason of Rockingham Lodge No. 495, A.F.&A.M. In this case the Judge Advocate entered his order dismissing the complaint on June 19, 1951, for that the complaint is not sufficient to apprise the accused of the true nature of the offense charged. We recommend that the order dismissing the complaint be approved.

3. Your Committee has given especial care to the consideration and review of TRIAL DOCKET NO. 20: In the matter of charges preferred against a Master Mason of Corinthian Lodge No. 230, A.F. & A.M. After a careful consideration of the record, the briefs filed in the case, and after hearing oral arguments of counsel and the accused, your Committee is of the opinion that the decision of the Trial Commission should be disapproved and that the judgment of the Commission should be reversed. The accused was charged with the commission of a felony, a certified copy of transcript of judgment of a court of competent jurisdiction having been introduced in evidence in the case. Neither the answer of the accused nor his testimony before the Trial Commission contain a specific denial of the charge by the accused. Moreover, the testimony of the accused contains what your Committee considers as an admission of the offense charged, and nothing appears in the record to overcome the presumption of guilt raised by the transcript of judgment. We, therefore, recommend that the decision of the Trial Commission be not approved, that the same be reversed, and that the Grand Lodge do now find the accused to be guilty of the offense charged and that the accused be forthwith expelled as provided by THE CODE in such cases.

Respectfully submitted,

LUTHER T. HARTSELL, JR., *P.G.M., Chairman*,
DAVID P. DELLINGER, *P.M.*,
NORWOOD P. PARKER, *P.M.*,
FRED C. KINZIE, *P.M.*

The Grand Secretary presented the following report of the Board of General Purposes, which was adopted by sections, and then adopted as a whole:

To the Most Worshipful Grand Lodge of North Carolina:

The Board of General Purposes reports that it has held regular meetings pursuant to the provisions of THE CODE, such meetings having been held on June 8, 1951, in the Masonic Temple at Charlotte; on September 14, 1951, in the Masonic Temple at Wilmington; on January 11, 1952, in the Elizabeth Room of the Hotel Sir Walter at Raleigh; and on April 15 and 16, 1952, in the Masonic Temple at Greensboro.

At each meeting of the Board reports were made by the Grand Master, the Grand Treasurer, the Grand Secretary, the President of The North Carolina Masonic Foundation, Incorporated, and by other members of the Board relative to the various activities of the Grand Lodge.

At the meeting on April 15, 1952, action was taken relative to the distribution of the Report of the Grand Master, the several sections of the same being referred to the appropriate Board, Commission or Committee. BE IT RESOLVED: That the incoming Grand Master shall appoint a committee of five members of this Grand Lodge as its Committee on Grand Lodge Building and Quarters as soon as practical after adjournment of Grand Lodge.

RESOLVED, Further, That said Committee on Building and Quarters shall be empowered to select a site and place for the permanent home and executive quarters of this Grand Lodge, and shall enter in and negotiate for the purchase of such site or location, and report their action to the Grand Master.

RESOLVED, Further, That upon having received the report of the Committee on Building and Quarters that the Grand Master shall call together the Board of General Purposes to consider such report of Committee on Building and Quarters.

RESOLVED, Further, That, after due consideration, should the Board of General Purposes approve the report of the Commit-

tee on Building and Quarters, said Committee on Building and Quarters shall be instructed and empowered to act in the name of this Grand Lodge, and shall negotiate and purchase such site for its permanent home and executive offices; and that the said Committee on Building and Quarters, having purchased said site, shall secure the services of a competent architect and proceed to have preliminary plans drawn and specifications prepared for executive offices of this Grand Lodge, and present them to this Grand Lodge at its next annual communication.

The Board presents, and unanimously recommends the adoption of, the following:

It appears to the Board of General Purposes that the resolution adopted by the Grand Lodge at the Annual Communication of 1944 as will appear on Pages 119 and 120 of the Proceedings for 1944, relative to amendments to the civil charter and to the by-laws of the Masonic and Eastern Star Home, Inc., which resolution contains certain directives to the Board of Directors of that corporation, has not been complied with by said Board; it is the opinion of this Board of General Purposes that this matter should be called to the attention of the Board of Directors of the Masonic and Eastern Star Home, Inc., and that immediate action be taken by those directors to comply with those directives.

Respectfully submitted,

The Board of General Purposes,
HERBERT M. FOY, *Grand Master, Chairman,*
WILLIAM H. WHITE, *Deputy Grand Master,*

INSTALLATION REMARKS OF
M.'. W.'. BROTHER WILLIAM HENRY WHITE,
GRAND MASTER

THE GRAND MASTER: My Brethren: As I stand before you this evening to assume the duties of the high office to which you have elected me, as I look back at those great leaders who have preceded me and forward to the job that lies ahead, I feel like the old Negro preacher who opened his service with this prayer:

"O Lord, give dy servant dis evening de eyes ob de eagle and de wisdom ob de owl; conneck his soul wid de gospel telefoam from de central skies; 'luminat his brow wid de love ob dis people; turpentine his imagination; grease his lips wid possum oil; loose his tongue wid de sledge hammer ob dy power; electricity his brain wid de lightning ob dy word; put perpetual motion in his arms; fill him plumb full of de dyamite ob dy glory; 'noint him all ober wid de kerosene ob dy salvation; and sot him on fire!"

Now, you can laugh at that prayer, but I used it for a purpose. Did you notice how much that old Negro asked for in just a few seconds? Did you notice the short crisp sentences? He asked for a lot and went right to the point. He used as few words as possible and did not wear the Lord out with a lot of meaningless words before he told him what he wanted.

It was in 1944 that I first stood before you to be installed as an officer in this Grand Lodge. I should like to express my sincere appreciation for the faith and confidence shown in me by Most Worshipful Brother Julius C. Hobbs by appointing me Grand Steward of the Grand Lodge of North Carolina, and I would not be true to myself, or to you, unless I voiced the great appreciation of the 52,000 Masons in North Carolina for the splendid service he has rendered the Fraternity over a long period of years. I deeply regret that it is not possible for Most Worshipful Brother Hobbs to be with us in person tonight; however, we all know he would be here if humanly possible, and we also know that he is with us in spirit.

For our program this year it shall be my plan and purpose to encourage harmony and better fellowship, where it does not already exist; to encourage better degree work in every lodge that does not have proficient degree teams; to encourage our lodges to confer any remaining degrees on unfinished material, PROVIDED the candidate is still *worthy*; to encourage our lodges to try to reinstate or restore all *worthy* brethren who have been excluded for nonpayment of dues; to encourage interesting and instructive programs for all lodge communications; to have as a goal *at least one* Certified Lecturer in every county in the State; to encourage every lodge to take full advantage of our *Lodge System of Masonic Education*, and through the officers of our lodges, our District Deputy Grand Masters, and our Certified Lecturers, to improve our knowledge of Masonry to such an extent that we will all be better men and better Masons.

It is with a deep sense of unworthiness and humility that I have received from you the great honor that you

have bestowed upon me. I do not accept it for the honor alone, but as an opportunity to be of service to the Fraternity. I fully realize that, alone, your Grand Master could not be the leader you have a right to expect, but when I go back to the first question I was asked by the Master of my lodge, I have no fear of the result if we but try and trust. I ask for the Divine Guidance of the SUPREME GRAND MASTER of the Universe, and with His help, and with the love, sympathy and cooperation of you, my Brethren, I hope to humbly follow in the footsteps of those great leaders who have so nobly led us to greater heights in the past.

And when my term as Grand Master has ended, and I come back to report to you, it is my hope, and will be my prayer, that my work may prove to be acceptable to you, and that we will have been drawn closer together than ever before.

M.W. Bro. the Rt. Hon. the Earl of Scarbrough, K.G., G.C.S.I., G.C.I.E., T.D., took his place in the centre of the Lodge.

The R.W. DEPUTY GRAND MASTER: Brethren, it must be a great disappointment to you all that for reasons of which we are all aware His Majesty The King is unable to be present here to-day to perform the ceremony of Installation. You know, of course, that the King has commanded me to undertake this on his behalf, which I am honoured and proud to do.

It was a sad blow to us all that our late Grand Master, Most Worshipful Brother the Duke of Devonshire, should have been lost to the Craft at such an early age, and when we had looked forward to a long period of his leadership. However, I am confident that I am voicing the opinion of all our Brethren throughout this country when I say how fortunate we are to have a man like you, Lord Scarbrough, to take his place. (Loud applause.) Your past experience in India, and your leadership when Deputy to our late Grand Master, had already been enough to convince us that we had in the Craft a most distinguished and able leader. The period since the death of our late Grand Master has further convinced us how fortunate we are.

The reception accorded to you to-day, Most Worshipful Grand Master, must have been far more convincing of the feelings of your Brethren than any words that I might say. We all earnestly hope that this reception will be an encouragement to you in the carrying out of the duties of your high office, because it can have left you in no doubt as to the sincerity and loyalty of your Brethren.

Before I obey His Majesty's command to instal you, Most Worshipful Grand Master, I will call upon the Grand Chaplain to invoke a Blessing from the Great Architect of the Universe on all your undertakings.

The Grand Chaplain offered up prayer.

The R.W. Deputy Grand Master then administered the Obligation to the Most Worshipful The Grand Master, and afterwards invested and installed the M.W. The Grand Master, saying, "I now instal you as Grand Master of the United Grand Lodge of England. May you for many years occupy that high position with credit to yourself and advantage to our Order." (Loud and prolonged applause.)

The R.W. Deputy Grand Master was conducted to his seat on the right of the Throne.

The GRAND DIRECTOR OF CEREMONIES proclaimed The Right Honourable the Earl of Scarbrough as Grand Master in the following words:—

Be it known that the Rt. Hon. Sir Lawrence Roger Lumley, Earl of Scarbrough, Viscount Lumley and Baron Lumley of Lumley Castle in the Peerage of England, Viscount Lumley in the Peerage of Ireland; of Sandbeck Park, Rotherham, in the County of York; Knight of the Most Noble Order of the Garter; Knight Grand Commander of the Most Exalted Order of the Star of India; Knight Grand Commander of the Most Eminent Order of the Indian Empire; upon whom has been conferred the Territorial Decoration. His Majesty's Lieutenant and Custos Rotulorum in the County of the West Riding of York, and the City and County of York; an Honorary Major-General in His Majesty's Army; formerly Lieutenant-Colonel in the Queen's Own Yorkshire Dragoons of His Majesty's Army; Honorary Doctor of Civil Law of the University of Durham; Bachelor of Arts of the University of Oxford; R.W. Deputy Grand Master of the United Grand Lodge of England, etc., etc., etc., has been Obligated, Invested and Installed as the Most Worshipful The Grand Master of the United Fraternity of Antient, Free and Accepted Masons of England for the ensuing year, whom may the Great Architect of the Universe long preserve.

The M.W. The Grand Master was saluted according to antient form.

The M.W. THE GRAND MASTER (who was received with enthusiastic and prolonged applause): Brethren, I thank you for your salutation, and I greet you well.

MESSAGE FROM M.W. Bro. H.M. THE KING.

The M.W. The Grand Master: Brethren, before further words are spoken I wish to give you a Message from Most Worshipful Brother His Majesty The King. As you all know, His Majesty would have been here to-day to carry out this Installation Ceremony for the fourth time in his reign if it had not been for his illness and his grievous operation; but if His Majesty cannot be present, his thoughts

are with us, for only yesterday the King sent for me and asked me to give this message to Grand Lodge to-day. These are the King's words :—

"As long ago as last March, I promised to instal you as Grand Master on November 6th. I had much looked forward to doing this, and to the opportunity of again meeting in Grand Lodge a great representative gathering of Freemasons. I am very sorry that my illness has prevented me from carrying out that intention.

I send you, M.W. Grand Master, my fraternal good wishes. You will realise that you have been elected to fill an exalted but onerous position, which will call for the display of many qualities, the most important of which is leadership. I pray to the Great Architect of the Universe that under your guidance the Craft will continue to maintain that beneficial influence which has characterised it in the past.

The world to-day does require spiritual and moral regeneration. I have no doubt, after many years as a member of our Order, that Freemasonry can play a most important part in this vital need.

I send my greetings to all assembled in Grand Lodge, and particularly to those from overseas who have made long journeys to be present.

May prosperity, happiness and peace attend you and all my Brethren.

GEORGE R.

5th November, 1951."

I am sure, Brethren, that your hearts will be moved by the King's words, and by this mark of his abiding interest in our Craft. It will, I know, be the desire of you all that we should now unite in an act of prayer for the King's full restoration to health ; and I ask the Very Worshipful Brother His Grace the Lord Archbishop of Canterbury to offer Prayer on our behalf.

V.W. Bro. His Grace the LORD ARCHBISHOP OF CANTERBURY, Past Grand Chaplain, offered Prayer in the words following :—

Almighty God, Creator and Preserver of all men and Giver of life and health, we offer to Thee our hearty thanks that Thou hast brought Thy servant George, Our King and Governor, in safety through the dangers of severe operation to daily increasing health and strength ; and we pray that by Thy blessing upon him and upon all who minister to him, he may go forward in peace of mind and spirit to a full restoration of bodily wellbeing, and may continue to lead Thy people committed to his charge into the ways of godliness and peace ; to the honour and glory of Thy Holy Name. So Mote it Be.

After the Prayer, all the Brethren joined in singing the first verse of the National Anthem.

ADDRESSES OF THE DEPUTATIONS.

THE GRAND MASTER OF THE GRAND LODGE OF IRELAND.

The GRAND MASTER OF IRELAND (M.W. Bro. RAYMOND F. BROOKE) : Most Worshipful Grand Master, I feel greatly honoured at being given the privilege this afternoon of conveying to you on behalf of your visitors, and particularly on behalf of my Brethren of the Grand Lodge of Ireland, our congratulations and our fraternal good wishes on your Installation as Grand Master of the United Grand Lodge of England.

I know—we all know—that a good deal has been taken from your pleasure in this afternoon's proceedings by the absence of His Majesty The King, and I know that my Brethren in Ireland would think that I had failed in my duty if I did not offer you their sympathy, and at the same time most respectfully say how much we have felt for His Majesty in his illness, and how much we have admired his courage and fortitude. (Applause.)

Most Worshipful Grand Master, during the course of its long career the Grand Lodge of England, by the way in which it has maintained the ancient landmarks, by its integrity, and by its upright dealings, has achieved for itself a position which is the admiration of us all. It has always been, and it still is, the bulwark of Freemasonry in every corner of the earth where its Lodges have been established, which it is ever ready and willing to support with its wise counsel. I am proud to feel that during more than two hundred years the closest friendship has existed between the Grand Lodge of Ireland and the Grand Lodge of England. In troublous times you have fortified us with your sympathy, and in good times you have rejoiced with us and we with you.

Most Worshipful Grand Master, by your Installation this afternoon you have been placed in the greatest position in the Masonic world. We offer to you our heartiest congratulations and our fraternal good wishes. May you long be spared with health and happiness to hold your high office, and may the Grand Lodge of England, under your guidance, go forward with increasing strength and prosperity ! (Loud applause.)

THE GRAND MASTER MASON OF THE GRAND LODGE OF SCOTLAND.

The GRAND MASTER MASON OF SCOTLAND (M.W. Bro. SIR MALCOLM BARCLAY-HARVEY) : Most Worshipful Grand Master, it is my privilege this afternoon to bring to you a message of congratulation and good will from all the Brethren of the Scottish Constitution ; and I should like to join with what the Grand Master of Ireland has said as to our sympathy with you on the absence of His Majesty from our proceedings this afternoon. And I should also like, on behalf of the Grand Lodge of Scotland, to express the hope that His Majesty's health may very shortly and very speedily be restored to the full.

Sir, you have been elected to a very high office. In that office you will have the best wishes of all Scottish Freemasons throughout the world. We may differ in unimportant ways from the Grand Lodge of England, but believe me, in all that really matters, in all those great traditions and truths that make Freemasonry what it is, we are at one with you, and it is a very real pleasure to feel that probably at no time in our history have relations between the Grand Lodge of England and ourselves been more cordial and friendly than they are to-day, and I can say that it is the earnest wish of every member of the Grand Lodge of Scotland that they should continue to be so, now and henceforth.

And, Sir, may I conclude with one personal note ? It is a very great pleasure indeed to me personally to see one whom I hope I may claim as an old friend established in such a high office as you are filling this afternoon, and I should like to add my personal congratulations and good wishes to those of my Scottish Brethren, which I bring to you in the fullest measure. (Loud applause.)

THE GRAND MASTER OF THE GRAND LODGE OF CANADA IN THE PROVINCE OF ONTARIO.

The GRAND MASTER OF CANADA (ONTARIO) (M.W. Bro. NELSON C. HAET) : Most Worshipful Grand Master, it is an honour and a pleasure for me to express to you the greetings of some 200,000 Masons in Canada, and to congratulate you upon being installed in this high office of Grand Master of the United Grand Lodge of England. We of Canada have quite a close association with the Grand Lodge of England. I think it is almost a hundred years since you granted us the privilege of having our own Grand Lodge. We hope to celebrate the Centenary of that in 1955, and we hope, Sir, that you will be there on that occasion.

The people of Canada join with you in regret that His Majesty The King is unable to be present to-day. We followed his sickness with deep sorrow in our hearts ; we rejoiced when he showed signs of recovery, and with you we hope that he may be fully restored to health in the very near future. That spread of love for

His Majesty and loyalty to the Throne is one of the things besides Masonry which weld us to this Grand Lodge of England.

I hope, on behalf of the people of Canada, Most Worshipful Sir, that you may continue in your office, to give that leadership to Masonry which emanated from this Grand Lodge of England so many years ago, and that by your leadership you will strengthen the threads that hold us together as Masons, in love of the Brotherhood and devotion to our common cause of freedom, and that you may be able to inspire the rest of the nations throughout the world to work with you towards the great aim of universal peace and good will. And I devoutly hope, Most Worshipful Sir, that you may be given the necessary grace, guidance and strength to accomplish those ends. (Loud applause.)

THE GRAND MASTER OF THE UNITED GRAND LODGE OF NEW SOUTH WALES.

THE GRAND MASTER OF NEW SOUTH WALES (M.W. Bro. JOHN H. HODGSON) : Most Worshipful Grand Master, I bring to you greetings from the Constitutions in the Commonwealth of Australia, and more particularly from the United Grand Lodge of New South Wales, which I, together with my colleague M.W. Bro. Miller, the Grand Secretary, represent on this very important occasion of the Installation of the Grand Master of the United Grand Lodge of England, which we term the Mother Grand Lodge.

We have very vivid recollections of the visit of your Grand Secretary, R.W. Bro. Sydney White, to Australia last year, when he helped to bind those ties of Masonry and Empire. (Loud applause.) We, Sir, share with you that intense loyalty which was displayed this afternoon to His Gracious Majesty The King, and rejoice with you that he is well on the road to recovery. (Loud applause.)

We from Australia have journeyed many thousands of miles to be present at your Installation. Although there is a great distance between Australia and England, we regard England as a part of Australia. (Laughter.) I will tell you why, Brethren : because we are part of the British Empire. (Applause.) On our arrival in your wonderful city, we were grieved to see the scars still remaining, but know that Freemasonry played its part during that great cataclysm through which you and we have just passed. Brethren, all that is past. We know that you are united with us in our endeavours to serve Freemasonry and to serve humanity. The past is history. The present is the realm of trial and achievement ; and the future is the unexplored territory of dreams and ideals. So, Brethren, in bringing you greetings from the other side of the world, may I just leave these words with you, so that you, with us, in our mission on behalf of the Craft, will exert all our endeavours to that end : " Look not mournfully into the past—it comes not back again. Wisely employ the present ; it is thine. Go forth to meet the shadowy future, without fear and with manly hearts ! " (Loud applause.)

THE GRAND MASTER OF MASONS OF VIRGINIA.

THE GRAND MASTER OF MASONS OF VIRGINIA (M.W. Bro. RUDOLPH R. COOKE) : Most Worshipful Grand Master, Distinguished Visitors, Officers and Brethren of the United Grand Lodge of England, the gracious consideration which you show me in requesting me to bring greetings on behalf of the Craft represented by my fellow guests and myself from the States, who to-day are privileged and honoured to be the beneficiaries of your generous hospitality, is sincerely and gratefully appreciated. I am sure that all my fellow guests from the States would have me express for them their gratitude for the privilege and honour of being present at this historic Convocation of your Grand Lodge. I am sure that they all join hands with you Brethren in England in our deepest regret at the absence of His Majesty The King. We pray too for his speedy and complete recovery.

I am at a loss to understand why I should have been chosen to be the spokesman for my fellow guests from the States, unless it be, perhaps, your desire to honour

the old Dominion State of Virginia because the first permanent English settlement in the New World was established on her territory. (Applause.)

The Masons of the United States have a high regard for their Brethren of the Mother Grand Lodge of England. We have much in common. We have a common heritage ; a common language—though it may be that some of our American speech is hardly in keeping with the superb English which is so noticeable a characteristic of the Mother Tongue as it is spoken by you ! (Laughter.) We have a common law ; we have a common respect for freedom and justice ; we have a common philosophy of decency and honour ; we have a common conception of religious values ; and we believe in a common morality. We believe that together, though we be two nations across the sea, we have a common destiny. (Loud applause.) The English-speaking people of the world are one of the remaining bulwarks for the continued existence of equity, and decency, and human personality for all men. There are those of us in America who hope that "There will always be an England." (Loud applause.) Hence our faith must triumph over our fears, and our common destiny must unite us in the firm resolve that together we shall win ; divided, we shall fail.

Again let me thank you, Most Worshipful Sir, for the great honour you have done me, and permit me to bring to you greetings from three and a half million Masons in the United States, and to express the hope that you, Most Worshipful Grand Master, may have a long, happy and prosperous administration, one dedicated to the well-being of Masonry throughout all the world. (Loud applause.)

ADDRESS BY THE R.W. DEPUTY GRAND MASTER.

The R.W. DEPUTY GRAND MASTER : Most Worshipful Grand Master, there is a custom which has always been observed in this Jurisdiction for the Brother who undertakes the duty of Installing a Ruler of the Craft to address the new Grand Master on the duties of his office. If it were not for the fact that it is proper that this ancient custom should be perpetuated, I should certainly hesitate, as a comparatively young Mason, to address one who has already exhibited such aptitude and has had such wide experience in all matters pertaining to the Craft.

I would venture, however, briefly to express how people of my age view Masonry. We look upon it as a Fraternity which is regulated by a code of laws to ensure that its affairs are conducted with due regard to order and justice. Its rules are voluntarily obeyed, but its strength is not only derived from that. Its stability emanates from the moral principles on which it rests, which are accepted and practised by men of every class in all parts of the world, who find inspiration, comfort and support in their association with other Brethren who are striving in their own lives to live up to the tenets of the Craft. We find, too, that it is a Fraternity not bounded by territorial frontiers, but one indeed from which the warmth of friendship extends across continents and oceans.

But in every Society there must be one upon whom its members depend for guidance and encouragement. In Freemasonry we look to the Grand Master. To-day we have in him complete faith in the future, for we know that in accepting the great responsibilities of his office, our Grand Master will lead us in the best traditions of the past, and we in return pledge him our loyalty and obedience. (Loud and prolonged applause.)

THE MOST WORSHIPFUL THE GRAND MASTER'S REPLY.

The MOST WORSHIPFUL THE GRAND MASTER : Brethren, I thank you for your welcome to me to-day. I do not think I shall ever forget it, and the remembrance of it will serve as a summons to give of my best to the Craft, and as a continual encouragement.

I am sure you will understand, Brethren, that I was well content to assist our late Grand Master as his Deputy, and neither expected nor desired any further

advancement in Freemasonry. Indeed, it seemed to me that I was then already advanced far beyond my deserts. But we all had to think afresh when to our sorrow the Duke of Devonshire was so suddenly taken from us just a year ago, and one result has been that Grand Lodge has placed on me the great responsibility of becoming your leader. I could not hope to undertake that task without the assurance of the King's approval and of your support. For the first I express my humble thanks, and for your support, Brethren, I am immensely grateful: and I thank you for so generously showing it to me to-day.

Then I want to thank the Right Worshipful Deputy Grand Master—(loud and prolonged applause)—for the words he has just spoken, and for carrying out my Installation. It is scarcely eight months since I appointed Right Worshipful Brother the Earl of Derby to be Deputy Grand Master. Yet he carried through his task to-day as if he were a past master of his craft. (Renewed applause.) When you think that in the past fifty years no one except His Majesty The King has installed a Grand Master of the United Grand Lodge of England you will realise how exacting was his ordeal to-day, and I am sure you will feel, as I do, and with great satisfaction, that the important position of Deputy Grand Master is in good hands. (Loud applause.)

I give my warmest thanks to the Grand Master of Ireland, the Grand Master Mason of Scotland, the Grand Master of the Grand Lodge of Canada in the Province of Ontario, the Grand Master of the United Grand Lodge of New South Wales, and the Grand Master of Masons of Virginia, for the messages of good will which they have brought and spoken on behalf of their Grand Lodges. I would like to say to them, and to those other visiting Brethren who are present—and they represent 25 Grand Lodges—that we of the English Constitution are delighted beyond measure to see them all. (Loud applause.) We appreciate enormously the fact that they have come—some have come across the world—to be with us on this occasion. It brings right home to me the reminder that in many nations there are many Brethren with whom we have much in common. I say to you visiting Brethren that you have brought us great good will, on which we set great value, by your visit to us to-day, and I thank you on behalf of the Craft. I also wish to express our very grateful thanks for the many messages which have been received by Grand Lodge from all over the world.

Some of the visiting Brethren are from the Dominions and the United States of America and other parts of the world, whence came, during the war and for long after its ending, a great quantity of material aid sent to us by their Grand Lodges, by their private Lodges and their Brethren. (Loud applause.) These gifts enabled us to help large numbers of our members and their dependants who were in difficulties, sometimes through personal injuries, on account of the war. We have tried from time to time to express our thanks, but the magnitude of the generosity has been such that no words can convey adequately what it has meant. The presence here to-day of many Brethren from those parts of the world gives me the opportunity to ask them to tell all concerned when they return to their home Lodges that that generosity has not been forgotten and that our gratitude is deep. (Loud applause.)

I turn now to my Brethren of the English Constitution. In this great gathering of Freemasons, in which almost every Lodge in England and Wales is represented, and which is attended by many Grand Officers and by a number of very welcome Brethren from our Districts Overseas, I would like to take stock for a little while of the state of Freemasonry within our English Constitution.

The two world wars, and the disturbance of life that has followed them, have not had on Masonry the destructive effect which they have had on other features of our national life. Men still want to join the Craft, and when they have joined, the great majority remain active in it. The demand, indeed, has been ever-increasing. It can be measured partially by the increase in our Lodges. In the twenty-five years from 1914 to 1939 over 2,000 new Lodges were consecrated; and in more

recent years, from 1939 to the present time—a period of twelve years, half of which were war years—no less than 1,300 new Lodges were consecrated. In fact, in the last forty years the number of our Lodges has more than doubled, but we do not set store on numbers. We do not admit new Lodges without good cause and careful scrutiny. Those figures, therefore, are an indication that the desire for Freemasonry is strong.

The two wars and the economic difficulties which have come after them have also not had, up to now, a destructive effect on our Masonic Institutions. Since the last war, the Craft has not failed to support our various Institutions with generosity. Indeed, some of the results announced at the annual Festivals in recent years have been outstanding. I cannot, however, avoid remarking that owing to rising costs the standards of our Institutions will only be maintained by even greater efforts in the future. The Craft has never failed in its duty—it is not charity, it is a duty—to the more unfortunate of its members, and for that reason there is every ground for confidence that the practice of a Masonic principle will be carried on, and that the service which our Masonic Institutions have been founded to give will not in our time be curtailed.

I turn away from material things to say to you, Brethren, that neither wars nor any other tempests have moved our Ancient Landmarks. We require of every one of our members a belief in God, and our standards of conduct are based on the Volume of the Sacred Law. Those are our essential Landmarks, and if they should be taken away, we should no longer be entitled to regard ourselves as Freemasons. I am laying, yet again, special emphasis on this because in the past few years those charged with the administration of the Craft have been called upon to give serious consideration to presentations of Masonry which do not conform to the standards and requirements laid down from its earliest days. With us those principles have remained unaltered. Succeeding generations have steadfastly refused to vary any of the essential foundations upon which our Order has been built. To-day we are as determined as were our predecessors to maintain them. We refuse absolutely to adopt any other conception of what we believe to be fundamental and unalterable. (Loud applause.)

Brethren, it is time to begin to add up in this process of taking stock of the state of our Freemasonry. I think we can feel that at this moment in our Masonic pilgrimage the desire for Freemasonry is strong in our land; our Institutions are able to render their service; our essential principles are held firm. So far, perhaps, we can feel a measure of satisfaction, but let it be only a limited measure of satisfaction, lest pride prevents us from seeing what more we should do. There is something more for a Freemason to think of and to do. Those matters about which I have been speaking up to now concern us collectively as Masons. They concern us in our Lodges and Grand Lodges. They outline, perhaps, the present state of Freemasonry as an organised body. But the individual Mason, if he is to carry out his whole duty, has something more to do.

His Majesty The King gave us the key to what that is in his message that I read out earlier. These were the King's words: "The world to-day does require spiritual and moral regeneration," and he went on to express his conviction that Freemasonry could play an important part in that vital need. It can do so if, as individuals, we Freemasons put into practice the principles we profess. It would be a fearful thing if England, like Ancient Rome, lost her character through a lowering of moral standards. As Masons we are charged to keep those standards high, and for each individual Mason to do that in his daily life is what the Craft expects of him.

Therefore, in estimating our position to-day we can add to the strength and vigour which we can claim for Masonry as an organisation, the opportunity which lies before each Brother to decide that in his personal life integrity, a spirit of service and brotherly feelings shall distinguish all his dealings with his fellows. So can a Freemason make his contribution to a better world. (Sustained and enthusiastic applause.)

AN EXPRESSION OF THANKS TO MOST WORSHIPFUL BROTHER HIS MAJESTY THE KING.

THE M.W. THE GRAND MASTER : Now, Brethren, there is just one thing more which I am sure you wish to do, and that is to express in some form our thanks to Most Worshipful Brother His Majesty The King for his message to us, and for maintaining his great interest in the Craft. I suggest that we do so by asking Worshipful Brother Sir Michael Adeane, His Majesty's Assistant Private Secretary, who is with us to-day, to convey to the King, with our humble duty, that we are deeply grateful for and most honoured by His Majesty's gracious message, that our loyalty to his person and Throne is unswerving, and that every Freemason in the land sends to His Majesty his fraternal wishes for a complete restoration to health. Brethren, if you agree with that, will you show in an unmistakeable way that that comes from the heart of this great gathering. (All the Brethren present assented, with enthusiastic acclamation.)

I am sure that Worshipful Brother Sir Michael Adeane will convey both the letter and the spirit of that expression of our feeling for His Majesty.

Brethren, it only remains for me to thank you again for your very fraternal welcome. I can assure you that I am conscious not only of the great honour but of the responsibility which the Craft has placed upon me. With the help of those good and true Masons whom I am so fortunate to have around me, I will do my best to serve you and the Craft. (Loud applause.)

ADDITIONAL APPOINTMENTS TO PAST PROVINCIAL AND DISTRICT GRAND RANK AND LONDON AND OVERSEAS GRAND RANK.

The M.W. THE GRAND MASTER: It is also my desire, Brethren, that this occasion should be commemorated by the bestowal of Past Provincial and District Grand Rank on a limited number of Brethren within the several Provinces and Districts, in addition to those appointments authorised by Rule 70 of the Book of Constitutions. In the exercise of the power conferred upon me as Grand Master, I empower Provincial and District Grand Masters to confer on Brethren of ability, who have rendered service to the Craft, the rank of Past Provincial or District Grand Officer, but these appointments shall only be conferred on one Brother for every complete seven Lodges up to 98, and thereafter on two Brethren for every complete seven Lodges, in any Province or District. Such Brethren shall be entitled to wear their clothing as Provincial or District Grand Officers at all Masonic meetings.

I propose in similar commemoration to bestow London Grand Rank on one hundred and fifty Brethren of ability who have rendered service to the Craft in the London area, such appointments to be in addition to the appointments authorised by Rule 60 of the Book of Constitutions.

I also propose to bestow Overseas Grand Rank on ten Brethren of ability who have rendered service to the Craft, such appointments to be in addition to those authorised by Rule 92 of the Book of Constitutions.

Grand Lodge was closed in ample form, and the National Anthem was sung by all the Brethren, after which the M.W. The Grand Master, accompanied by the visiting Deputations and his Grand Officers, retired in Procession from Grand Lodge.

RULES FOR GOVERNING THE OFFICIAL STANDARD OF THE WORK AND THE VOCABULARY

(In Effect June 8, 1951)

The Official Standard of the Work and the Vocabulary adopted by the Grand Lodge in April, 1942, are to be distributed under the following rules made by the Board of Custodians, pursuant to Regulation 30-08, as adopted in 1948, and as amended in 1951.

(Promulgated by the Board of Custodians, at Charlotte, N. C., June 8, 1951).

RULE 1. The Grand Secretary shall be the Custodian of all un-issued copies of the Official Standard of the Work and the Vocabulary, and shall issue them only upon proper written application. He shall provide all forms of application, receipts and other documents necessary to account for the same, and shall keep a record of all copies issued, and to whom issued.

RULE 2. Receipts for the Official Standard of the Work or the Vocabulary shall be given on such forms as may be prescribed by the Grand Secretary. Immediately on receipt of a copy of either, the brother receiving the same shall sign proper receipt, which shall be transmitted to the Grand Secretary promptly.

RULE 3. The Vocabulary shall be issued only to Secretaries of our subordinate lodges, who shall receipt therefor and be held responsible for the same. He shall transfer the Vocabulary, so issued to him, to his successor in office and take his receipt for the same, which shall be forwarded immediately to the Grand Secretary. In the event he is unable, for any cause, to deliver to his successor the copy of the Vocabulary in his possession, the Master of his lodge shall take up his copy of the Vocabulary and re-issue it to his successor in office, taking his receipt for the same which shall be forwarded immediately to the Grand Secretary.

RULE 4. Only each of those in the following categories are qualified to apply for and obtain the loan of one copy of the Official Standard of the Work, to-wit: Masters, Senior Wardens, Junior Wardens, Senior Deacons and Junior Deacons and the two Stewards of our subordinate lodges; Grand Lodge Line Officers, District Deputy Grand Masters; members of the Board of Custodians; Certified Lecturers, and Certified Instructors, while they occupy the said offices and positions and while they are qualified as indicated in this Rule.

RULE 5. (a) At the installation of officers following the annual election, each retiring officer elective or appointive in the Grand Lodge and in our subordinate lodges shall deliver to his successor in office the copy of the Official Standard of the Work held by him, and in the event his successor has a copy, then the retiring officer shall transfer his copy to a new officer entitled to the same, who does not have a copy, and the successor so re-

ceiving the Official Standard of the Work shall sign the prescribed receipt therefor, which shall be forwarded immediately to the Grand Secretary. It is the purpose of this paragraph to make it possible for a brother to retain the same copy of the Official Standard of the Work originally issued to him so long as he is entitled to have the use of the same under Rule No. 4.

(b) In case a brother, who holds a copy of the Official Standard of the Work under Rule 4, should vacate his office or lose the qualification which entitles him to the use of a copy of the Official Standard of the Work, due to death, resignation, lapse of certificate, or for any other cause, then the Master of his lodge shall take up the copy of the Official Standard of the Work held by such brother and either forward it to the Grand Secretary, or re-issue it to a brother who fills the vacancy, if any, and take a receipt for the same, which receipt he shall forward to the Grand Secretary immediately.

Rule 6. No writing, marking or notations of any nature whatsoever shall be made in or upon any copy of either the Official Standard of the Work or the Vocabulary, and it shall be the duty of any Grand Lodge Officer, District Deputy Grand Master, District Deputy Grand Lecturer, or any Certified Lecturer, at any time, to call for any copy of either, and examine the same to determine whether this Rule has been violated; and if it has been violated, he shall immediately take up such copy marked in violation hereof, and forward the same at once to the Grand Secretary, and report his action to the Grand Master without delay. [See also Regulation No. 30-07(4)].

Rule 7. In case of loss or destruction of either the Official Standard of the Work or the Vocabulary, the Grand Secretary shall be notified immediately, giving a full report of the circumstances surrounding the said loss or destruction.

Rule 8. Neither the Official Standard of the Work nor the Vocabulary shall be used in any lodge while conferring the degrees, nor at any time in coaching or instructing candidates.

Rule 9. Neither the Official Standard of the Work nor the Vocabulary shall be issued to one entitled to the use of the same under these Rules, unless applied for in writing on the proper form, except as provided in Rule 5.

PROCEEDINGS OF THE
RULES FOR THE GOVERNMENT OF
THE LECTURE SERVICE

(Promulgated by the Board of Custodians June 11, 1948, and effective July 1, 1948.)

1. Lecture Districts are hereby abolished.
2. A Class "A" Certified Lecturer may accept an invitation to instruct in the Ritualistic Work from any lodge in the State of North Carolina, regardless of location.
3. Class "A" Certified Lecturers are urged to co-operate in this work by accepting invitations to instruct in the Ritualistic Work from lodges located near their residences.
4. Each subordinate lodge is required under Regulation 35-09 to have instruction in the Ritualistic Work for a period of not less than one week in every consecutive two years. For this instruction, the Grand Lodge will allow credit as set forth in Rule 5. At least fifteen (15) consecutive calendar months shall elapse between the dates of such instruction.
5. The required one week of instruction may be complied with in either of the two following methods:
 - (a) The lecturer may visit the lodge for the entire week on one trip, and he shall give not less than thirty hours of **ACTUAL INSTRUCTION**, *excluding* travel time and time when he is not actually instructing; *provided*, also, that there shall be instruction on each of not less than five different days in the *same calendar week*, and for this class of service the fee shall not exceed \$50.00 per week, or
 - (b) He may make several trips to the lodge, in which case instruction must be given for not less than twenty-four (24) hours of **ACTUAL INSTRUCTION**, *excluding* travel time and time when he is not actually instructing; *provided*, also, that there shall be instruction on each of not less than five different days, and all within a period of thirty (30) days, beginning the first day of the lecturer's engagement, and for this class of service the fee shall not exceed \$40.00 per week.
6. The Board of Custodians recommends that the instruction be rendered on consecutive days, whenever it is practicable or if circumstances render it more efficient, but this is not mandatory.
7. A Class "A" Certified Lecturer, during the period he is on the roster of such class, is authorized to instruct subordinate lodges for compensation.
8. A Class "B" Certified Instructor, during the period he is on the roster of such class, may give instruction in the scope of work coming under Class "B", for which he shall *not* receive compensation.

9. The Grand Lodge will allow a credit of the fee set forth in Rule 5 to each lodge instructed for the one week's minimum in every consecutive two years required under Regulation 35-09 and these rules.
 - (a) A subordinate lodge will pay the lecturer the fee for instruction according to the class of instruction given, as defined in Rule 5 (a) or (b). After payment of such fee, the lodge shall, within fifteen days, forward the lecturer's certificate of service, under the seal of the lodge, and the lecturer's receipt for payment to the Grand Secretary, who will determine whether, under Regulation 35-09 and these rules, the lodge is entitled to credit for the instruction, and if it is, he will either reimburse the lodge by voucher the stipulated amount, or credit the lodge's account with the same.
 - (b) All such certificates for reimbursement of fees for lecture service paid out by lodges shall be filed with the Grand Secretary before December 20 of each year.
10. A lodge desiring instruction in the Ritualistic Work shall make all the necessary arrangements and agreements for the service with the Class "A" Certified Lecturer of its choice. Immediately after such service has been rendered, the lodge shall
 - (a) Pay all proper transportation, board and lodging expense, necessary to fill the engagement, incurred by the lecturer.
 - (b) Transportation expense shall not exceed five cents per mile actually traveled, each way, when private automobile is used, or it may be the actual railroad or bus fare between the residence of the lecturer and the lodge served. Transportation expense may properly be the subject of a special agreement between the lodge and the lecturer, before the instruction is commenced. It is the intent of the Board of Custodians that travel expense, board and lodging shall not be made an unreasonable burden on lodges.
11. A lodge not entitled to instruction in the Ritualistic Work, under Regulation 35-09 and these rules, which accepts instruction from any Class "A" Certified Lecturer, shall pay the fee, as defined in paragraph 5 (a) or (b), for such instruction and the expenses of the lecturer rendering the service without reimbursement from the Grand Lodge.
12. A lodge may obtain special lecture service or instruction as often as it desires, but the lodge, in such cases, shall pay all fees (as set forth in paragraph 5 (a) or (b) and expenses incident thereto which exceed one week in every two consecutive years, as set forth in Rule 4.
13. Any special lecture service rendered to a lodge shall be reported within fifteen days by the Secretary of the lodge to the Grand Secretary, for the record.

14. The Grand Secretary shall prepare and provide all forms for certificates, reports and records under these rules.
15. When these rules become effective on July 1, 1948, all previous rules which are in conflict herewith are hereby repealed.

By authority of Regulation 35-08(3) Adopted 1948.

FOREIGN CORRESPONDENCE

REVIEWS

By WALLACE E. CALDWELL, P.G.M., *Chairman
Committee on Foreign Correspondence*

I have examined with some care the reports of a large number of Grand Lodges within the United States. All or nearly all follow a pattern. In many of the addresses of Grand Masters or Grand Orators the dangers of communism are stressed; in nearly all emphasis is laid on the religious foundation and the spiritual values of Masonry as answers to the troubled conditions of the world today. All show a healthy increase in numbers, the largest proportional increase being in Louisiana. Where comparison was possible, however, I found the same condition existing which we have noted in North Carolina—a lower increase for 1951 than for 1950.

Apparently conditions are returning to normal the country over and the great flood of petitions has abated. This is not an unhealthy sign, if, as some Grand Masters comment, it means improvement in quality rather than in quantity. Many express concern over the smallness of attendance at Masonic meetings. One Grand Master placed the blame squarely on the weakness of leadership in the lodges. The Committee on Masonic Research and Education of the Grand Lodge of Washington, to help this situation, prepared a pamphlet entitled "Will You Plan Ahead?" which was reprinted in the Grand Lodge Report. It contains so many suggestions which may be of help to Masters of our own lodges that I include in my report Part I, "Responsibilities of the Worshipful Master."

* *Committee on Masonic Research and Education*
"WILL YOU PLAN AHEAD"

PART 1

RESPONSIBILITIES OF THE WORSHIPFUL MASTER

I. ATTENDANCE—Building attendance by: Starting punctually, maintaining a schedule, closing not later than 10:00 p. m. Don't drive the Brethren away by prolonging meetings to a late hour. Most of the Brothers must work the next day!

II. STATED COMMUNICATIONS—Insist on officers being present at least fifteen minutes before the meeting, for the purpose of consultation and reception of the Brethren. Check with committees before Lodge opens so that you will know what is to be reported. Finish business as soon as possible. The Brethren have a right to expect efficiency, not superfluous talk and unnecessary delays.

III. BANQUET ROOM—Meetings in the banquet room should be for relaxation and real fellowship. Give speakers ample notice. Incidentally, risqué or off-color stories are not to be tolerated.

* The Grand Lodge of Washington.

IV. PLANNED MEETINGS—It is suggested that six or more meetings be held during your year entirely free from degree work. Success is not measured by the number of degrees conferred.

(At the District Meeting at least two Worshipful Masters will be asked to report the planned meetings held in their lodges).

Here are a few suggestions for special nights:

1. PAST MASTERS. A meeting to honor the past heads of your Lodge. (This should not be limited to the conferring of a degree).
2. LADIES. An evening for the ladies.
3. YOUTH ORGANIZATIONS. Invite the DeMolay, Rainbow Girls, Job's Daughters, or other Youth Groups to put on the program. They will appreciate the opportunity.
4. GRAND LODGE OFFICERS AND PAST GRAND MASTERS. Build a program around one of these distinguished Brethren.
5. FIFTY-YEAR CERTIFICATES. The presentation of a Fifty-Year Certificate and button should be a special event.
6. PUBLIC SCHOOLS. Call attention to the work accomplished in our public schools. Invite the glee club or other school organizations to supply a part of the program.
7. SPEAKER. Have a program with an outstanding speaker, not necessarily a Mason.
8. MASONIC CODE. Have a discussion of Masonic Law and Procedure. "Cause it (The Code) to be read in your Lodge, that none may pretend ignorance of the excellent precepts it enjoins."
9. QUIZ PROGRAM. A quiz on Masonic subjects.
10. MASONIC PLAYS. Organize a cast and put on a Masonic play. Many are available.
11. LODGE VISITATIONS. An interchange of visits with the Brethren of another Lodge or Jurisdiction.
12. ANNIVERSARY. Celebrate the founding of the Lodge and honor Charter Members if available.
13. GEORGE WASHINGTON'S BIRTHDAY. A program emphasizing George Washington, the Mason.
14. GRAND LODGE. Reports of the Annual Communication taken from the Proceedings, with special reference to the report of the Committee on Correspondence.
15. CHRISTMAS PARTY. A party of members and their families.
16. "MASONIC COURTESIES." A discussion of thoughts contained in that booklet.
17. WARDENS. A meeting in honor of the Senior or Junior Wardens of the District or County.
18. EASTERN STAR OR AMARANTH. Reception of the members of each of these organizations.
19. MASONIC HOME. A thorough discussion of the Masonic Home and the Masonic Home Endowment Fund. Invite a member of the Home Board or Endowment Fund Committee as your speaker.

20. **EXAMINATION IN OPEN LODGE.** Conduct an examination of a visitor by proxy in open Lodge for the education of the Brethren. The examination should cover both extremes, the too-short and the too-long.
21. **CERTIFICATE OF PROFICIENCY.** Every Lodge should have at least one member holding a Certificate of Proficiency. Due recognition should be given these Brothers.
22. **SPECIAL EVENTS.** Meetings such as the annual Strawberry Festival, Melon Feed, Trout Dinner, Old Timers' Night, Etc.

A few items of interest appear elsewhere. The Committee on Fraternal Relations No. 2, of New Jersey, reported (1951) that "1949 closed with 15,265 lodges in the United States, listing 3,427,972 members. Canada had 204,000 in 1,412 lodges; South America had 28,800 in 406; Australia 282,000 in 2,532; the Philippines 7,000 in 101; Europe 33,000 in 74; the British Isles 1,160,000 in 8,000—a grand total on the globe of 5,142,772 Masons rostered among 27,799 lodges."

Ohio reported the existence of a clandestine body, known as "co-Masonic" and admitting women to membership. It claims to have 80 lodges throughout the United States and a membership of more than 8,000, and to have existed since 1880. I mention it merely to emphasize the importance of checking the dues card of any visitor against the official list of recognized lodges, a copy of which is furnished to every lodge.

Our Grand Master reports a large number of requests for waivers of physical disabilities. I find in the reports that while some Grand Lodges are holding to the Doctrine of the Perfect Youth, many have adopted in principle the same regulation which is in our Code. An interesting procedure appears in the Message of the Grand Master of Oregon: "Many requests have come for dispensations for those who have both major and minor physical disqualifications. Each has been given much thought and consideration, and the dispensation granted only after *at least three letters of recommendation from prominent Masons of the area with advice as to mental and moral qualifications, associations and environment of the applicant and a statement that ordinarily he will not become a charge upon the constituent lodge or upon Oregon Freemasonry.*" (Italics mine. W.E.C.)

An exceedingly valuable report was received from the Masonic Service Association, entitled "Modern Ideas in Masonic Education," being the proceedings of the Midwest Conference on Masonic Education held in Cedar Rapids, Iowa, December 2, 1950. At this meeting the problems of publication of Grand Lodge Magazines or Bulletins was fully explored with descriptions of experiences from Iowa, Indiana, Illinois, and North Dakota. The report rather discouraged your reviewer on the development of a similar program in North Carolina.

Other topics discussed included Masonic Institutes, Candidate Instruction, Books and Booklets, Visual Education, Social Pro-

grams, Study Clubs, and Speakers Bureaus. The report contains many suggestions of value.

Your reviewer found most interest in his study of the reports of foreign Grand Loges. In Canadian reports he found mention of biennial conferences of eastern Grand Lodges, western Grand Lodges, and an all Canada conference. In the report of Alberta he was pleased to find an address by our own M. W. P. G. M. Hubert M. Poteat. In the report of Quebec appeared a recommendation of a requirement of examination in open lodge on the third degree. The address of M. W. J. H. N. Morgan, Grand Master of British Columbia, contained such a beautiful and concise statement of the aims of Masonry that I cannot refrain from quoting it:

This past year has been a strenuous and a most eventful one. During the months, momentous events have passed across our horizon in the swift kaleidoscope of an unsettled world. All around us wages a conflict between two ways of life. On all sides we read and we hear of strife,—political, racial and economic strife. Yes, let us say we are living in a fantastic unbelievable sort of an age. We know what we are, but we know not what we will be. But what of all these tumultuous times? It is just such difficult days that hold for us as Freemasons a challenge. This is a time for courage and for leadership. We profess to be engaged in a great humanitarian endeavor, in trying to make our communities better places in which to live, in helping our fellows to raise their standards of life and in the distributing of happiness. Our motto is the Golden Rule, our philosophy is that of the Good Samaritan and our morality is based on the teachings of the Great Master. It is a morality that involves a simple understanding of our fellowmen, a desire to be helpful and a care not to be selfish or unkind. It is a sense of decency and honesty, a belief in justice and fairness to all. It tells us that there are things of the spirit, affairs of the soul, that transcend in importance the material things of life and that without these spiritual assets we will come to naught.

And so, Brethren, if the deep spiritual truths and practical techniques of Freemasonry have any meaning at all for us, then let us be sincere in our declarations. Let us practice their precepts and live them into our very lives. Let us make our Freemasonry a virile and operative force for good. Let the voice of Freemasonry be heard and let us demand of ourselves a more realistic and positive demonstration of our precious philosophy. The threatenings that are abroad will be no greater than we allow them to be and the difficulties and darkness that would surround us can be dissipated just as surely as night grows into day. Let us as men and as Freemasons take up the challenge of this today. Let us be living exemplars of our high ideals. Do the most for our fellowmen in the best way we know how. We will be serving humanity, and doing our part in making this great Country of ours, this Canada and this Province a better place in which to live. Someone has said that, "The era of peace, brotherhood, the Golden Rule, as applied to Governmental matters is yet to come and when it comes then, and then only, will the

Future of Nations be sure." It will not only be in accomplishment, but in the eagerness and the courage of our efforts towards our Ideals that there will be for us, and for our fellowmen, any "Tomorrows that sing."

The report of the Grand Lodge of Honduras contains a Manifesto that is of such interest that I had it translated. Apparently foreign churchmen in that Latin American state have been attacking marriages between Masons and Catholics. The Grand Master replied with a fine statement of the purposes of Masonry, which follows:

MANIFESTO OF THE GRAND LODGE OF HONDURAS TO THE PEOPLE OF HONDURAS

The Grand Lodge of Honduras, highest authority of Symbolic Masonry of the country and organ of communication and link with the Masonic Grand Lodges of the world, confronted with propaganda which, for some time, various elements of the foreign clergy resident in this country, have been developing in this area, and which manifestly tends to undermine Masonic marriages, the Honduran family, and society in general, is forced to make public the following.

DECLARATIONS

a) Universal Masonry is not a religion, but a society of free men and good customs, which endeavors by all licit means, to foster human fraternity, equality and liberty among men, without distinction of people or race, nor of political creed, or religious belief. Therefore, it is its obligation, or rather, its inescapable duty, to practice philanthropy without ostentation and to consecrate all its strength to the redemption of its followers, inculcating in them the practise of virtue, that fundamental of happiness, and to combat without cessation the falsehood, the egotism, and the vice which obscure the mind, hinder judgment, or enslave the will.

The first duty of Masonry is to battle without truce or rest fanaticism, whether it be religious or political, because the first is conducive to superstition, excites the hatred of man respecting his fellow being, provokes persecutions and bloodshed, gives rise to anger and destroys the sentiment of piety; the second because it leads man to great excesses, provokes bad passions, ignoble ambitions, envy, adulation, servilism, and at times, servitude, abjection, and immorality.

But, if it is true that Masonry is not a religion, it is also true that it has a fundamental the DOCTRINE WHICH THE NAZARENE PREACHED which was the gospel of love and pity and for which he expired on the cross, and Masonry does not admit into its fold individuals who do not believe in a Supreme Being, author of all creation, who is God and whom we Masons call the Grand Architect of the Universe.

b) Masonry practices tolerance, in the religious order of things as in the political and social, in the sense of never limiting the legitimate exercise of the laws of fellowmen or the rational development of their faculties, so that the progress of humanity will not be interrupted.

Turning the pages of history, we encounter five transcendental events which have acted as a foundation for tolerance and have influenced in a decisive manner the advance of culture, civilization, and human progress, to wit:

1. The Edict of Nantes which introduced religious toleration to a catholic nation—the work of the Bourbon, Henry IV.
2. The Peace of Westphalia which raised toleration to the level of International Laws and hence ended religious wars. The Bourbon Henry IV also figured prominently in this crusade.
3. The encyclopedia, which armed the forces of liberty with the greatest of ideas and which also was the work of Bourbon tolerance.
4. The expulsion of the Jesuits, which act disorganized the forces of authority and was likewise initiated by a Bourbon; and
5. The advent of Democracy through the independence of the United States of America, thanks to the generous aid of Louis XVI.

After having obtained such wonderful conquests how is it possible that some should wish to return to the dark times of religious intransigence of Philip II, Torquemada, autos de fe, and the Inquisition which sacrificed thousands of victims at the stake, among others, without naming more, Father Louis de Leon, Father Luis de Granda, Santa Teresa de Jesus, San Francisco de Borja, and, in the opinion of some historians, Prince Charles of Austria, first born of the King?

c) Masonry loves and respects its fellowmen, aids those who need it, counsels the afflicted, attempts to reform the misled and works heroically and to the point of sacrifice, if that should be necessary, on behalf of women, children, the aged, friends, fellow countrymen, and the fatherland.

d) Masonry works for collective progress and betterment for which the Brothers must make themselves worthy of all that is great and noble which encompasses the living for the good of all; they must control their passionate impulses, conserve immaculate and perfect their dignity and honor, in order to be able to carry out their duties with irrevocable constancy, and, at the same time, be able to recover, with energy, all their rights.

e) Masonry does not discuss the Gods of the Theogonists and admits to its fold only those men who combine the essential qualities which the Institution requires, in particular belief in God the practice of Fraternity.

f) Masonry indulges neither in polemics nor conflicts of any type with other organizations; but if attacked, it defends itself with firmness, valiantly and its defense will have repercussions in all the corners of the earth, because the *Fatherland of the Mason is the World*.

g) *The Grand Lodge of Honduras* energetically protests against the insidious and illogical propaganda which is being carried on from some sacred pulpits of the Honduran Catholic Cathedrals, tending to disrupt the bonds and harmony of the Honduran family which is the pillar of the State; and reminds the propagandists, that, if not all, a majority of Masonic mar-

riages are consecrated by the Catholic Church and that its sons have received the Sacrament of Baptism.

The public welfare and social well being imperiously demands that an end be put to that campaign which endangers the tranquility of the home and compromises public peace.

The Grand Lodge of Honduras and on their behalf, the Lodges of its jurisdiction, complement the Honduran people and send them its fraternal greeting, wishing that harmony will reign in the national family for the good of the Nation.

The Grand Master of the Grand Lodge of the Philippines made a statement in his report on "The Masonic Horizons in the Far East," which is of value in showing widespread activity of that small but vigorous body.

THE MASONIC HORIZON IN THE FAR EAST

God has willed it that the Grand Lodge of the Philippine Islands be the leader of Masonic affairs in the Far East. Here in this area, populated by over half billion of inhabitants, we must assert the great underlying principles of our beloved Organization. This Grand Lodge is the main outpost of Masonry in the Far East. True to our destiny, we had lived up to the spectations of the Masonic world. After the organization of this Grand Lodge, we proceeded to erect it and cement it on solid foundations and on firm soil in our own country. Then, in pure unselfish move, we organized Lodges in China and made Masons therein. Finally, we helped the Brethren in China in organizing their own Grand Lodge. In Japan, we also organized Lodges under our Grand Jurisdiction immediately after liberation. First in Yokosuka. There, on September 23, 1947, our Yokosuka Naval Masonic Lodge was established. Then in Yokohama. There, on October 16, 1948, we organized FAR EAST Lodge No. 124. Last year, we constituted TOKYO AMERICAN MASONIC Lodge No. 125, and SQUARE AND COMPASS Lodge No. 126, on April 5, 1950. So we have at present four (4) Masonic Lodges with permanent chapters in Japan. During the year we received from Japan the following petitions for dispensation:

On March 2, 1950, we received the petition from 17 Brethren in Kyushu to form a Lodge under the name of KYUSHU Lodge at the City of Fukuoka. The letter of dispensation was issued on April, 1950.

On April 13, 1950,, we received another petition from 28 Brethren in Kyoto to form a Lodge, under the name of GENERAL JOHN J. PERSHING in that City. Due to the fact that the proper recommendations were not attached, the dispensation could not be granted.

On December 7, 1950. We also received the petition from 30 Masons in Nagoya to form a Lodge in that City under the name of Torii Masonic Lodge, but the letter of dispensation could not be issued, as proper recommendations were and are still lacking.

As soon as conditions will warrant, we hope Masonic Lodges will be established in Korea. Not long ago a conspicuous leader in Indonesia was made a Mason in a Lodge of our Grand Jurisdiction, and we trust that under his leadership and moving spirit,

Lodges in his country will be organized which will work under the Grand Jurisdiction of our Grand Lodge.

In this corner of the globe there are over half billion of inhabitants that need to be imbued with the ideals of our Order. In the United States of America there are forty-nine Grand Lodges with more than three million of Master Masons who dwell and thrive in an area conglomerated with over half billion of inhabitants. You can well imagine how difficult and hard-pressed is our Masonic work and how overburdened and over taxed our shoulders are under such predicament. To be successful in our task, the work of each of our Brethren must perforce be redoubled and intensified and must be animated and spurred with the conviction that we are here by the will of the Grand Architect of the Universe for a special purpose that must be accomplished. And this special purpose He has willed to us must be performed in the best way within our reach.

Most intriguing to me were the reports from New Zealand and Australia. New Zealand has 37,774 members in 353 lodges. With these it maintains a Widows and Orphans and Aged Masons Fund, a Special (War) Benevolent Fund, and a Boy's Home and provides Educational Scholarships. Similar funds are reported by the various Grand Lodges of Australia. It is worthy of note that the Grand Lodge of Western Australia has established a Lodge of Research. In 1949-50 R. W. Sydney A. White, Grand Secretary of the United Grand Lodge of England visited Australia. I should like to quote a paragraph from his report which shows clearly the enthusiasm of Masons "down under" and might well serve as an object lesson for some of us.

"The growth of Masonry is fascinating. Every Jurisdiction has derived from the three British Grand Lodges: and Western Australia solely from the Lodges which were then under the English Grand Lodge. You will appreciate the keenness of the Brethren in that part of the world when I tell you that the Grand Lodge of Western Australia received a warrant for a Lodge from the Grand Lodge of England within twelve years of the country being discovered. As population spreads, so Masonry is taken with it, and as soon as a little colony gets together, a warrant is at once applied for. And you have to remember that these new Lodges serve an enormous area—possibly a hundred miles or so in every direction. To travel fifty or sixty miles to one's Lodge over roads which in many parts are scarcely roads, and perhaps even in some cases merely tracks cut by the Brethren themselves, is no unusual experience. I met an old Brother there who had retired, and he said: 'I am afraid I don't go to Lodge very often now; you see, the nearest Lodge to me is 300 miles away, and there is no way of getting there at all.' And yet the Brethren all attend their Lodges very regularly."

Finally it is my pleasure to report that in November, 1951, the Earl of Scarborough was installed as Grand Master of the United Grand Lodge of England and that attendant upon that ceremony was M. W. Charles B. Newcomb, P.G.M., and Grand Representative of the Grand Lodge of England near the Grand Lodge of North Carolina.
